

NEW CHARTER NOW CITY'S ORGANIZING LAW

City to Adopt new City Constitution Carried Monday

LIBERTY VOTE IN TOWN'S HISTORY

Downs Beaten by D. L. Houston by Six Votes

Monday's election in Hillsboro was the largest vote in the history of the city, and at that time there were many who did not yet know the polls. The total number of ballots counted reached the mark, and of these 261 voted against the new charter with a negative vote of 46, for enlarging the city limits, the affirmative vote was 215 with 52 against. This means a better Hillsboro, the adoption of the proposed charter, which enables the council to pursue street improvement without charter limitations. The council elected standing for improvement all along the line.

H. T. Bagley, the sole nominee for mayor, received 225 votes out of the 261 cast. There was a contest against but one man, meeting business, David L. Houston, of South Hillsboro, was named in a Citizens' Ticket, and he defeated Joseph Downs by a vote of 46.

The votes are counted: H. T. Bagley, mayor, 225; D. L. Houston, council, 168; J. Downs, council, 102; S. H. Smith, council, 108; J. Smith, council, 121; Elected, Houston, Smith and Smith; Council, 127; Council, 128; For enlarging boundaries, 248; Against enlarging boundaries, 52; For new charter, 261; Against new charter, 46.

Downs' defeat is ascribed to a number of causes—although Joseph says the main reason is that he was a few votes shy. His nomination was fought on the grounds of geography, two or three went for his scrap because he had fought them in county campaigns, or at least had the credit of doing so, and a number were beat at him because of his long activity in city politics. Gov. Houston, who captured the election, owns the Fair Acres ranch, and was the democratic candidate for Labor commissioner in the last state election.

OLD MAYOR OUT; NEW MAYOR IN

Mayor-Elect H. T. Bagley Sworn in Tuesday Evening

OLD COUNCIL STILL IN OFFICE

Notice of Recount Filed by Joseph Downs—to be Counted Saturday

The mayor of the past year—Dr. A. B. Bailey—stopped out Tuesday evening after old trustee business had been cleared away, and the newly elected mayor—H. T. Bagley—was sworn in. Price 38-11

Dr. A. B. Bailey, Ex-Mayor.

H. T. Bagley, Mayor-Elect.

to his induction into office, a petition or notice for a recount was filed by Joseph Downs, who was defeated by Dave Houston by six votes, and after deciding that no councilman could take his seat until the matter was settled, the council concluded to let the new mayor and the old council take up the matter. It was thereupon voted to recount the ballots Saturday evening. Wm. McQuillan is interesting himself in the Houston case and District Attorney H. B. Tongue will look out after Mr. Downs' interests. It is thought that the real question will revolve around the legality or illegality of the Citizens' Ticket, which the Recorder declined to file and print, because the city attorney gave it as his opinion that it was not offered for filing within the four days prescribed by ordinance, and that therefore there could be but one legal ballot—the Mass Meeting Ticket. It is perhaps as well that the thing be threshed out because the charter amendment was voted in by ballots of both classes.

W. V. Wiley and J. J. Krebs were granted license for saloons for six months. The claims against the city were audited as follows:

- Independent Electric Co., \$86.45

- F. J. Sewell, city treas., 48.00
- C. R. York, meals pris., 2.75

- A. E. McCamsey, lumber, 94.00

This time last year a pure food officer was out looking up certain candies shipped in and said not to be up to snuff. He secured samples from several stores, but the outcome of his investigations were not made public. We don't say that all candy shipped in is bad, but it is better to be on the safe side and buy candy made right here at home, at the Den of Sweets.

BOARD OF TRADE HOLDS A SESSION

Committee is Appointed to Take up United Railway Matter

TO CONFER WITH JOHN F. STEVENS

Will ask Schools to get Railway Communication via Hillsboro

The Board of Trade had an interesting session Monday evening, and took up the railway matter as to whether or not the United could be induced to construct from North Plains to the Scio district, via Hillsboro. Upon motion Dr. J. P. Tamesie, J. B. Wilcox and J. W. Goodin were appointed a committee to confer with Genese and Scio people and secure committees to work with the Board of Trade delegation and visit John F. Stevens, of the United, and see if it would be possible for the line to tap the rich Scio and Farmington section. This would divert much freight through the Corvallis cup and save 25 cents per ton, now paid on the Front Street transfer.

President Tamesie and Secretary M. H. Alexander gave enthusiastic talks on the Board's successes at the recent apple show.

It was also decided to meet in February and take up the matter of giving the annual fair organized support in the matter of various committees.

Next Monday, the Board will meet and take up the matter of expenses and receipts of the apple exhibit.

The attendance was good at the session, and the Ladies of the Coffee Club furnished sandwiches and coffee, the latter of which was brewed by Mrs. Caye—and the brew was given first prize.
