VOL. XVII HILLSBORO, OREGON, FEB. 9, 1911. NO. 48

## TAXES CAN BE PAID THURSDAY, FEB. 16

County Commissioners Will Place Warrant on Roll, February 13 TWENTY-NINE DAYS OF REBATE Half Payment Can be Made at Any Time Prior to April 3

Sheriff Hancock is this week advertising that taxes will be collectible for the 1910 roll, beginning with Thursday, February 16. This will give twenty-nine days wherein taxpayers can take advantage of the law giving them three per cent. rebate, as this holds good until March 15, 1911. Half tax can be paid at any time prior to April 3, 1911, and if no payment whatever is made by that date 10 per cent. penalty and a 10 per cent. interest charge monthly, will prevail.

The taxroll this year is very extensive, owing to the many road district special taxes, and it is thought that the sum total will eclipse any former tax collection.

## EAST BUTTE PRECINCT CAN GET NO SALOON

County Board Finds That Local Option Law Prevents License

BOARD AGAIN TO MEET ON FEB. 13

Big Receipts for Fees in Clerk's and Recorder's Offices

The county commissioners met last week for the February term and at adjournment voted to again convene February 13, when they will affix the warrant to the tax roll for collection of the 1910 tax.

Ed. Colfelt and Geo. Yenke, who had asked for saloon license in the town of Tigard, withdrew their petition after finding that the law would not permit granting the right. East Butte precinct was placed in the "dry" column two years ago, and the last election did not take up the vote, except as to state-wide prohibition. As the precinct remained dry, A. F. Frewing et al employed T. H. Tongue, deputy district attorney, to present the law to the board, which ended in the applicants withdrawing their petition.

H. P. Downing was appointed road supervisor vice B. K. Denny, who declined to qualify.

D. B. Reasoner was paid for putting in a piling bridge at the Borwick place, across Rock Creek, near Reedville.

G. A. Plieth was ordered to repair bridges at Bonita, and at the Honzaaker place in his road district.

Clerk Bailey reported January fees at \$512.95, and Recorder Perkins reported January collections at \$524.35.

The buildings at the poor farm were insured in the sum of \$2,000, and John Vanderwal was given the premium, the policy to cost \$30.

Road petition of Mary Engelbrecht et al was referred to the district attorney.

The bill of Daniel Parson, Forest Grove, for repairs to harness and horse collars for A. L. Sexton, whose team went through a bridge on Gales Creek, was disallowed.

Soon we shall hear the complaint of heavy taxation—but what would you think if you were paying taxes in Tillamook county, where they have a tax of \$280,000, or an average of about \$45 for every man, woman and child. This is a pretty good sized tax for a little over 6,000 people. Tillamook, however, has lots of non-resident timber land ownership.

Erwin Ritter, of Bethany, was in the last of the week, and deposited \$1112.26 for two heirs of the late Jacob Schaefer, the Bethany blacksmith suicide. The heirs can not be found, and County Treasurer Jackson will hold the money until they are located. Four heirs have already received their share of the money, but the real estate still remains undivided.

Theodore McNamer, of Alaska, was in town the first of the week, a guest of his sister, Mrs. J. W. Goodin. T. C. was one of the first to leave here for the Klondike country, in 1897, and was a passenger on the Elder, that made the first trip out of Portland to Skagway. He still has claims on Emma and McCoy Creek, and will return as soon as Spring opens.

## EDWARD SEYMOUR FALLS UNDER AN ELECTRIC CAR

Death was Almost Instantaneous—Body Badly Mangled

FATALITY TOOK PLACE AT BEAVERTON

Dead Man was a Prominent Real Estate Man of Forest Grove

Edward Seymour, of Forest Grove, was crushed to death by an electric car at Beaverton, Saturday afternoon, February 4, 1911. He had been in Portland, and with a six year old son, was returning to his home in the college city. The car which arrives here at 4:25 had just arrived at Beaverton, when Mr. Seymour and his little son jumped off the car to get some article at that station. He succeeded in getting the little fellow on the car, and dropping a box, tried to pick it up. He failed in this, and as the car had started he rushed to the rear car to try to board it. He slipped and was struck by the front of the third car, and thrown under the wheels. One of his legs was severed from the body, and he expired in a few minutes.

Seymour leaves a wife and several small children. He had resided at Forest Grove for several years. He was a Knight Templar, and a Masonic delegation went to Beaverton, Sunday, to escort the remains to his home.

Coroner Brown went to Beaverton Saturday evening, and the inquest was held. The jury found that his death was accidental and the railway company was exonerated.

The jury: W. A. Williams, J. E. Summers, E. D. Boring, H. M. Summers, C. E. Hedges and H. Glaysier.

The train was in charge of Conductor J. M. Bilbrey.

### Return Home Through Sunny South

When you arrange your eastern trip be sure to include the Sunset Route through New Orleans, El Paso, Los Angeles and San Francisco for return. It is a splendid educational journey, and at this time of the year especially delightful because so warm and comfortable. Every mile is through the sunny southland—the rice and cotton fields of Louisiana and Texas, the vast mirage meses of New Mexico and Arizona, now spread with bright green, the orange groves and semi-tropic charm of California, miles and miles along the ocean shore, and several of the most interesting cities on the continent. Ask your local railroad agent all about it.

A son of John Magruder, residing at Elgin, Union County, climbed a huge snag, several feet in circumference, the other day, and shot a bear which was asleep down in the hollow of the trunk. He discovered that the bear was in the tree by the evidence of scratches around the base. Bruin was fast asleep, and six shots sent him to bear Paradise. The young fellow is a nephew of Jas. Magruder, of the Delta Drug store, of this place.
