Scores Against Opponents, Saturday, by Mark of 42 to 35

LAST EVENT GAVE PACIFIC HONORS

Donelson Wins Mile Run for the Pioneer College

The second annual indoor field and track meet between the Portland Y. M. C. A. and Pacific University was held Saturday night in the P. The Sunday Oregonian contained an article, illustrated, from the pen of Homer Davenport, the famous cartoonist, and the story told of Silverton pioneer days. It contained a humorous mention of Henry G. Guild, who years ago ran the Silverton Appeal. He says that Henry took cordwood on subscription, and that the receipts were so large that he was compelled to open a woodyard. Other things he said about "Heine," which we who know him, are satisfied are not true. Homer says that one of the Appeal's ads, described a lost horse, and then said that anyone describing the horse, and paying for the advertisement, could have the property.
