BIG CROWD OUT AND CELEBRATION MOVES

Banner Attendance Initiates a Two-Days Big Doings

ARE TO TRY FOR FLYING MACHINE

Committees Appointed and a "Rouser" is Now Assured

An enthusiastic crowd met at the city hall, Friday evening, to take up the matter of a two days celebration—July 3 and 4—and Mayor H. T. Bagley presided with A. C. Shute, secretary. After a decision for two days of celebration, with races and sports on July 3 and 4, the following committees were appointed:

Executive—H. T. Bagley, A. C. Shute, Wm. Nelson, W. W. Boscow and Ed. Wann.

Arrangements—A. C. Shute, J. J. Krebs and W. W. Boscow.

Finance, Attractions and Concessions—W. V. Wiley, J. W. Connell and Homer Emmott.

Sports and Games—W. H. Wehrung, E. L. Moore, C. E. Koontz and C. W. Redmond.

Parade—Wm. Nelson, N. H. Alexander and R. L. Sears.

Publicity—Zach Grage, S. C. Killen and L. A. Long.

It was decided to ask all lodge fraternities to bring up the question of permitting members of various orders the right to use the local lodge rooms as a matter of comfort and convenience during the celebration. Home owners having rooms are requested to advise the various hotels, so that all may be cared for, in case there is a shortage of accommodations at the hotels.

John W. Connell will look into the proposal to have a flying machine here for the Fourth of July, and if this attraction can be secured it will mean a big feature. The usual balloon ascensions are to be scheduled—and there seems to be no question but what we shall have a great celebration of our natal day.

HORSES FOR SALE

A carload of Eastern Oregon horses, gentle and well broke, for sale, at Farmers Feed Stable, on Main St., Hillsboro, on SUNDAY, MAY 28 between 10 o'clock a. m. and 4 p. m.

COUNTY COURT

County court, with all members of the board present, met Saturday, and ordered that a warrant on special Road Fund, Dist. 20, be drawn in favor of Clerk J. W. Bailey, for expenses in said district, road improvement.

Ordered that \$1,000 be drawn on the county road fund to replace that amount drawn from Road Dist. No. 1 special fund to pay expenses of crusher at Good-in spur.

Ordered that warrant issue to T. W. Sain from Dist. 23 special fund, rock work in Gaston section.

KELSO IS PROGRESSIVE

Continues Enterprising Policy by Ordering More Bitulithic Pavement

Kelso, Wash., May 24.—(Special)—This city will continue the progressive policy adopted last year in the matter of street pavement; the Council last night having awarded the contracts for 25,000 yards of bitulithic.

This is considered a very strong endorsement of the original policy demanded by the people. This endorsement of bitulithic is made in spite of the difference of \$20,000 in the cost of bitulithic and concrete, an action taken by the Council only after a thorough investigation, which resulted in the unanimous decision that concrete is a poor investment at any price.

Victor Batchelar and Miss Mabel Fuller were united in marriage by County Judge Sewell, May 20, 1911. The ceremony was performed in the county court room.

Rev. S. Conklin, of Tigard, was in the city Monday—the first minister in the county to present himself for registry at the county clerk's office. As Clerk Bailey has not received supplies and instructions from the secretary of state he failed of his mission.

Last Friday, Jacob Schneider, of Leisyville, came near having a fatal accident, and it was the sheerest good luck that saved this from being a funeral notice instead of the narration of an accident. He was blasting some stumps, and had a number of shots. Thinking all had exploded, he walked to a stump, where the belated explosion took place. He was prostrated, but the goddess of luck was with him, and barring some bad scalp wounds, scratches and bruises, no further harm was done. The concussion was something terrible for a while, and Mr. Schneider was nearly blinded. Dr. F. A. Bailey worked a considerable time getting his wounds cleaned, and Jacob will be ready to blast in a few days—but says the sound of a blast still makes him tremble.

Mayor H. T. Bagley, N. H. Alexander and Dr. J. P. Tamiessie went down to visit the Portland council Friday last, but the United Railways petition to strike from their franchise in Portland the matter of building to Hillsboro, was not brought before the body. The committee in charge of the petition stated that they would notify Hillsboro people before it was acted upon. It is now more than probable that the city council here will draft a resolution to the Portland council, asking, inasmuch as it was largely through the efforts of Hillsboro the permit was granted to build and operate, that the provisions therein affecting Hillsboro be allowed to stand.

Julius H. Cramer, of above Mountaineer, was May 19 examined by Dr. Tamiessie, and adjudged insane by Judge Sewell. Cramer is 51 years old, and was born in Illinois. He has been in Oregon 22 years, and was sent to the asylum in 1889, and was discharged last March. Cramer has fixed delusions of grandeur and lives constantly in the stars and palaces of gold. Cramer has no relatives here, but has a brother, C. W. Cramer, at South Tacoma.

For sale—Bay team, 4 years, 2,500, \$400; team of geldings, 4 years, 2,000, \$425; team, 4 years, 2,400, \$375; team, 6 and 7 years in good working order, \$400; team, 4 and 5 years, 3,200, \$650, and several ponies, cheap. Must sell at once. Will give guarantee with each horse. Take Salem Electric to Tigard, and inquire at livery stable, Harry Kuehne, owner, P. O., Tigard, Or. 9-11

Mrs. Dora Elliott, of Kiona, Wash., was in the city Monday, being called to Kinton, this county, on account of the illness of her mother, Mrs. Kindt, who has been very low for several days. Mrs. Elliott states that the weather has been very dry up in the Kiona section, but that rain has fallen since she came down into Oregon.

The little two-year old son of Mr. and Mrs. O. W. Humphreys, of this city, inserted a shoe button in his nose, and the harder one tried to dislodge it the more particular it was about getting a little farther up the nasal passage. The child was finally taken to Dr. F. A. Bailey, who removed the intruder.

Eastbound Yellowstone National Park round trip excursion fares are in effect June 12 to Sept. 12. You had better come in and see Agent Cooper, of the Oregon Electric and Hill lines, about this trip and get literature giving full description. 10tf

Reinhard Undermach, who neighbored with John Witt, over on Lewis River, Wash., over 30 years ago, was over to Hillsboro Monday, the guest of his oldtime friend. He lives near Ridgefield, Wash., and says that everything is timber and progress over that way.

See the fine stock of "back combs," at Libby, the jeweler's place. No back numbers all new and fresh goods, direct from the factory; and Gee Whiz!—see the fine clocks and jewelry of all kinds, which he is almost giving away. 38-tf

Mrs. Miltenberger Sr. and Mrs. Jas. Miltenberger departed Monday for Collins, Wash., where the elder lady will remain a few weeks for the benefit of her health.

We have just received a dandy lot of new rose bushes, and also a fine assortment of trees, berry vines, grapes, etc., for immediate planting. A first class stock.—Morton's Greenhouse.

Anton Hermens, of Centerville, was in town Monday, and says that G. W. Marsh, who is in Portland taking medical treatment, is improving rapidly.

HILLSBORO WINS SECOND GAME FROM COLTS

Capture Game Sunday at Grove Grounds, 7 to 4 Score

TWENTY-ONE HITS IN THE GAME

Each Nine had 27 Put-Outs, With 75 Batters at the Plate

Hillsboro hiked to the Haines station grounds, and victory, Sunday, and came home with a score of seven to four—and there was rejoicing in the county seat bawliwick. It was thought that the Colts were due to win the game, for they always play an aggressive game—but the fortunes of baseball were against them. Forest Grove captured 11 hits to Hillsboro's ten, but somehow the Colts fielding was not up to par. Gillenwater pitched for the Colts, and Williams went on the bill for Hillsboro. Every Hillsboro player made hits except Raub, who seemed to have an off day. Freeman, at first base, was credited with 12 put-outs, the greatest number in the game. Hillsboro was credited with but three errors in the nine innings, while the Colts had but six chalked against them. The line-up.
