Sewing will begin in the grade, drafting and garment making to follow as soon as student becomes capable. ### COMING SOON

"The Girl From the Golden West," the big New York success, a beautiful love-story that thrills the audience and plays on the heart strings with a master's touch. Heart interest runs hand-in-hand with the best comedy, and weaves together a beautiful drama true to life. The largest and best theatrical company playing under canvas on the road today. Everything as bright and new as the noonday sun. Thirty people, special cars, big mammoth waterproof tent—a seating capacity of 1800 people. Mr. Curtis' Concert Band, and Roy O. H. Memmen's Symphony Orchestra. Big free street parade at noon. One night only, at Hillsboro, Saturday, August 12.

The weather all last week was too fine to admit of much of an exodus to the coast.  
Wanted: Women and girls. Steady employment. Inquire at Moore's laundry, Hillsboro, Oregon.

Andrew Eggiman, of near Cedar Mill, was in the city Monday, and says that Sunday night's shower settled the dust down his way. He states that Al Crooni is threshing with his new outfit, and that wheat in some places has yielded as high as 45 bushels to the acre—a fine turnout. This was especially so with the wheat that was sown early, and had nearly filled before the hot wave. Oats are turning out fine, also. Lehmanns threshed 3,000 bushels of grain in a day's run, and had a fine yield. Mr. Eggiman is at present engaged in putting up a new residence for John Crooni, the first story of which is to be of concrete.

The Groner & Rowell Co. have a large stock of drain tile, from 3 to 14 inch; also building blocks and brick. It will pay you to place your orders with us, as we burn our tile to a better color than our competitors, as our wood only costs us a trifle. We also have a good stock of rough and dressed lumber, which we invite the public to inspect, here.

The Grand Marca is the most wholesome "two for a quarter" smoke on market—made in Oregon, by E. Schiller. When you indulge in a good smoke buy a Grand Marca. 12tf  
John Shaffer departed for Akron, Ohio, and Chas. Fisher left for Blooming, Ill., Friday, being ticketed East by Agent S. Cooper, of the Oregon Electric and Hill lines. Quite a number are contemplating taking their Summer excursions and are arranging with Mr. Cooper for transportation and reservations.  
Reedville Blacksmith Shop—General blacksmithing; professional horse-shoer; machine and wagon work. All orders promptly executed.—Peter Christensen.

Forest Grove is getting along nicely with its paving improvement, and a visit to the college town, Friday, discloses the fact that the work will all be completed by the time the good weather merges into the wintry rains.  
For Sale—Thirty-one pigs, about six weeks old; Chester White; fine stock. A bargain if all taken at once. A. Corrieri, on old Robinson place, J. C. Hare ranch. 22-4  
Deputy County Clerk E. C. Luce, Cal Jack Jr. and sister, Miss Hettie, and Mr. and Mrs. L. A. Long went on the Press Club cruise from Portland to Bonneville and return, Sunday.

Ranch for cash rent—40 acres; 35 under plow; house and barn; 2 running streams; orchard; one mile west of Laurel.—James Patterson, Laurel, Oregon, Route 22-4  
It is amusing to watch automobiles drive into the city and get "marooned" on one of the corners, so they have to be backed out of the maze of sewer excavations.  
Wanted—Party to take charge of boarding house at hopyard near Laurel. Vegetables and fruit furnished free. For particulars telephone Laurel, Ind. 2559.—F. M. Crabtree. 22-4  
John Miller, well known here in the old days, came out from Portland Sunday evening, and remained over night, a guest at the J. M. Brown home.

Dr. Lowe, the optician, will be in Hillsboro, August 25, to 4 o'clock. At Forest Grove, Aug. 24.  
Argus and Oregonian, \$2.25. 18tf

## THOMAS JOHNSON DIES FROM FALL OF 30 FEET

Was a Popular Young Man From the Glencoe District

FATAL INJURY RECEIVED SUNDAY

Was Working at Logging Yard Near Buxton—Son of Henry Johnson

Thomas Johnson, the eldest son of Mr. and Mrs. Henry Johnson, died Sunday night from injuries sustained in a fall, while working at the logging yard for the Hillsboro Lumber Company, near Buxton. The young man was fastening a block and tackle at a height of from 30 to 40 feet, and lost control of himself, striking the ground with terrific force.

He was brought to Hillsboro on a special train on the P. R. & N., and hastened to the hospital, but his internal injuries were such that recovery was out of the question.

He was born in Washington county, August 27, 1889, and was a steady, industrious young man. He had a wide circle of friends in North Washington County, and was very popular with his immediate friends. Prior to going to work for the Hillsboro Lumber Co., he worked in North Plains. The remains were shipped out from Portland for interment. The family has the sympathy of their hundreds of friends in their neighborhood and Hillsboro.

The great American drama, "The Girl From the Golden West," an all-star metropolitan cast—thirty people including Mr. C. A. Curtis' Solo Band and Roy O. H. Memmen's Symphony Orchestra, traveling in their own Pullman car, "Caroline."  
"The Girl From the Golden West" had a run of seven hundred consecutive performances in New York and over five hundred in Chicago. The success of this drama will play throughout the West for twenty weeks in their mammoth waterproof pavilion theater, equipped with elevated stage and ten full sets of special scenery.

"The Girl From the Golden West," as everyone knows, is a four-act western drama, thrilling, romantic, and full of clean comedy, strong in dramatic situations and climaxes. Don't class this show in the same company as the questionable "fly-by-night" aggregations. Seats for 1800 people. One night only, at Hillsboro, Saturday, August 12.

R. Puhols, of West Union, was in the city Saturday afternoon.

Sam Tunstall, the Phillips old-timer, was in the city Monday.

John Eicisler, of Gales Creek, was down to the county seat Monday morning.

A. L. Stephens, of near Buxton was in the city Monday, and called on the Argus.

J. T. Young and family have returned from their Newport outing.

John Lippert, of Buxton, is building a residence on the Boeker tract, north of town.

Frank Williams, who has been out on Route 1, was in the city Saturday. He is moving back to the home place, beyond Glencoe.

Chas. Hickethier, of near Cedar Mill, was up to the city Saturday, looking in on the veteran reunion.

S. H. Davis, of Beaverton, was up to the city Monday, and called on the Argus. He says a nice shower settled the dust in his section Sunday evening.

Wonderful improvement is being made in the Beaverton-Reedville section, on the Shaw-Fear tracts, and new homes are being built every few days. When the S. P. electrifies its line there will be a great rush out that way for suburban homes.  
Miss Wilma Waggener will soon start for Berlin, to take another post graduate course in music from one of the best instructors in the German center of music. Miss Waggener has been in charge of the musical instruction at McMinnville College for two years.
