HIGH SCHOOL NOTES

Hillsboro High School is just coming to the front ranks of Oregon High Schools. The School is now taking interest in many enterprises usually participated in by the students of high class schools. The glee club has 18 members under the directorship of Mrs. Virginia Hutchinson, of Portland, and is making fine progress. A student body assembly is held every Friday morning, and this is educational as well as pleasurable, as there is music and discussions of current events or some other topic fully as helpful. Our football team is the center of interest just at present. The boys were beset with many difficulties, but Dr. E. H. Smith has been a veteran in coaching, and as one of the boys recently said "He certainly has stood by us." The boys have been doing splendid work, winning their last game by a score of 16 to 0. They go to Tillamook Friday morning to play the High School, on Saturday.

The total enrollment in the High is 87.

The Adelante Society will hold its regular meeting in the south room, on Friday morning, Nov. 24.
