R. A. Caples and D. R. Wheeler, representing the Wheeler Commercial Club, were before the county commissioners court last Saturday, asking that the precinct of Wheeler be made, by reason of the increased number of voters in that district. The court made the order, with Wheeler as the voting place. The boundary of the new voting district is found in another place in this issue. Caples says: Wheeler is situated on both sides of the Southern Pacific, which you will easily note, if you ride through. If the weather is murky you will realize you are in Wheeler when you enter a zone of bright sunshine. When the feeling comes over you that you are at peace with the world, and that you are glad you are alive—you are then in the atmosphere of Wheeler, Washington County, Oregon. Last Wednesday night Mr. Caples assisted in organizing a Commercial Club at Beaverton, with W. E. Pegg, president, and Geo. Thyng, secretary. Last Friday night Mr. Caples addressed the citizens of Reedville, which resulted in a commercial body, with W. B. Peterson as president and J. E. Borwick, secretary. The Beaverton and Reedville organizations will unite with Wheeler to campaign for good roads in that section.

Aug. Tews, of the Hillsboro Cleaning works, has installed a French dry cleaning machine which will make old suits look like new, and which cleans apparel that can not be touched by any other method. See him, in the Schulmerich Block, upstairs, first stairway north of post office. Suits made to order. And ladies' suits a specialty.—Aug. 21 tf

The Southern Pacific is said to have contracted for electric power from the Cazadero people, and inside information comes that the West Side line will soon be electrified. It is also rumored that the track will be changed so as to get into the business districts of Hillsboro and Forest Grove. This will be a great benefit to travelers, as well as a matter of more business for the line as their stations are now so far away from the center of the towns that local travel with the S. P. is very light.

Why pay ten dollars for a map which merely shows Washington County, when you can get one on a larger scale, showing everything from the Willamette River west to the west boundary of the county, size 50x67 inches, for \$7.50, or a pocket size, 24x33 inches, for \$2.00? Get it of your bookseller, or address T. S. Wilkes & Son, Hillsboro, Oregon.

If you are in the market for a heater you should call in and see the Howard, the best stove ever made. It will keep up a uniform heat with half the wood used by other stoves. Call in and see it.—Emrick & Corwin, Hillsboro. 26-tf
