OPERETTA AT THEATRE WAS GREAT SUCCESS

Hillsboro Entertained by Evening of Song at Crescent

VOCAL NUMBERS MUCH APPRECIATED

taged by Local Talent, and Directed by E. R. Jones

The operetta, "Jack and the Baked Bean Stalk," was very cleverly staged at the Crescent Theatre, last Friday evening, and the result of a fortnight's vocal training was a revelation to the audience. The leading characters were Miss Blanche Harbison, as the Princess; Miss Fay Sigler, as the Fairy; Clair Wilkes, as Jack, and Ronald Vaught, as the Ogre. All of the numbers were finely executed, and Vaught, as the Ogre, was a scream. The entire cast of characters deserves much praise for their work.

The solo by L. Davis; the duet by Miss Cecelia Greer—always a favorite—and E. R. Jones; the solo by Mrs. Robert Jennings, who made her first appearance before a Hillsboro audience; the chorus, Cal Jack, Chas. Lamkin, Bayfield Pooley, Chas. Riggs, L. Davis, Verne Curry, Benton Bowman and E. R. Jones, were enthusiastically received.

AUTOS TO BE IN HILLSBORO

The largest automobile factory in the world will be in Hillsboro when the Studebaker Corporation of Detroit, Mich., show their famous motion picture films entitled, "From Pig Iron to the Finished Automobile" at the Crescent Theatre, Tuesday evening, Dec. 26, at 8 o'clock. These films, which are 6000 feet long, are some of the most interesting as well as the most costly ever made. They show the E-M-F 30 and Flanders 20, made at the rate of 150 per day, or 50,000 per year. They also show the famous cars on the track, in the wilderness, and on the road.

A factory expert explains the details of construction of an automobile as shown in the pictures.

As an additional attraction, there will be shown views of the famous Flanders 20 pathfinding trip from Seattle, Wash., to Hazelton, Can. This trip, which was 1250 miles long, was considered an impossibility by experts who knew the route selected by the Pacific Highway, which was for the most part over the famous Caribou trail, where not even a wagon had attempted to go. The Flanders 20 reached Hazelton after six weeks of the hardest going ever encountered by an automobile, thereby winning the Pacific Highway medal, "First to Hazelton" and numerous other trophies.

This interesting entertainment will be shown under the auspices of Wilkes Auto & Garage Co., local distributors of the E. M. F. and Flanders automobiles, absolutely free. Tickets can be secured at McCormick's Music Store.

MASQUERADE BALL.

There will be a grand masquerade ball at the North Plains Pavilion, Saturday, December 23, 1911. Mrs. L. Sullivan, of Portland, will have costumes and masks for rental at Hotel North Plains, Saturday, Dec. 23. Grand March at 9:00 p. m. sharp. Ample accommodation for horses and rigs. Toelle's orchestra will furnish best of music. Everybody welcome, and a genuine good time guaranteed.

MONTEITH—MORRISON

A quiet wedding was celebrated at the parlors of the Hotel Tualatin, in this city, Wednesday, December 20, 1911, the contracting parties being Frank P. Monteith and Miss Aileen E. Morrison, Rev. Weber, of the M. E. Church, officiating. The bride is a daughter of Mr. and Mrs. J. T. Morrison, of Farmington, and for several years has been employed as a compositor in the Independent office. The groom is well known here, having been employed in the composing rooms at the same office. He was associated with the Hillsboro Reed & Cornet Band during his residence in this city. Mr. and Mrs. Monteith will reside at Salem, where the groom recently purchased a job printing plant. The ceremony was a quiet one, and was performed in the presence of the immediate relatives of the bride and M[illegible]rs. Foote and Mrs. E. W. [illegible] Bride and groom departed [illegible] Portland on the 3:40 Oreg[illegible]ctric for a short wedding t[illegible]r which they take up hous[illegible]g in the capital city.

WATER COMMISSION NAMED BY COUNCIL

Will Investigate Supply and Seek Available Remedy

CITY FATHERS ATTACK FRANCHISE

H. V. Gates, Dr. F. A. Bailey, Geo. R. Bagley, W. D. Wood, Willis Ireland,

The city council took drastic action Tuesday night, and passed a resolution declaring that the Washington-Oregon Corporation had not lived up to the terms of the franchise-contract, and aver that the franchise is nullified. The body also appointed a commission to investigate water conditions and to ascertain the remedy. The resolution speaks for itself, and reads:

Whereas, on May 27, 1909, the city of Hillsboro, Oregon, entered into a certain contract and agreement with the Hillsboro Water, Light & Power Company wherein, among other thing the said Company, its successors and assigns, in consideration of a certain franchise granted on said day by Ordinance No. 296, and concurrent with said contract, and the further consideration of the payment of certain sums to be paid as specified in said contract, covenanted to and with the said City of Hillsboro, Oregon, to provide and supply to the said City of Hillsboro and the patrons of said Company an adequate supply of pure and wholesome water for fire, domestic and other purposes specified in said contract; and

Whereas, said Hillsboro Water, Light & Power Company has sold, assigned and conveyed to Washington-Oregon Corporation the Hillsboro Water & Light Plant, its franchise and said agreement and said Washington-Oregon Corporation is now the owner of said plant and all the rights and privileges under said franchise and agreement, and in the purchase of said plant, franchise and agreement expressly assumed all the obligations pertaining thereto and under and by virtue of said purchase, franchise and agreement was required to provide and suppy to said City and the patrons of said plant on or before May 27, 1911, an adequate supply of pure and wholesome water for fire, domestic and other purposes set forth and specified in said agreement; and

Whereas; The said Hillsboro Water, Light & Power Company and said Washington-Oregon Corporation, as its successor, have wholly failed to comply with the terms of said franchise and agreement and among other things has wholly failed to provide the City of Hillsboro and the patrons of said plant with the amount and character of water specified in said contract, and

Whereas, pure and wholesome water is necessary to the health of the citizens of said City, and that through the failure of said Companies to provide for and supply such water in quantities specified in said contract, the property of the citizens of Hillsboro is and has been exposed to the danger of destruction by fire; and

Whereas, it is imperative that the City of Hillsboro and the Citizens thereof be provided with an adequate supply of pure and wholesome water, now therefore,

Be it resolved, that the following named persons, resident citizens of the city of Hillsboro, viz: H. V. Gates, Dr. F. A. Bailey, Geo. R. Bagley, Dr. W. D. Wood and Willis Ireland, be and they are hereby appointed a Commission to represent the city of Hillsboro in making and to make a thorough investigation of the character, quality and quantity of water now being furnished to the citizens of said City, to ascertain the source of the supply and determine whether or not such supply is adequate, and further, to investigate and report as to the advisability of the construction of a water system by the city of Hillsboro, ascertain the available sources of supply and quantities of water, secure data from companies or cities owning and operating gravity systems, report as to the approximate cost of the construction of a suitable system and the approximate net revenues to be obtained from the operation of such system; and make such recommendations as may be advisable and proper in the premises. Be it further Resolved that the city of Hillsboro pay said Commission the reasonable, necessary and actual expenses incurred in making the investigations herein designated.

In speaking of the action of the council, Mr. Besse, the local superintendent, says: "The company has expended over $40,000 in building up the Hillsboro water and light plant, and a big portion of this expenditure has been for water supply. We have sunk two wells, and we are having no complaints at this time from consumers about water shortage. Of course, when the dry season was on, and before we had exhausted our appropriation for water supply, there were two or three days that we did not furnish water for testing the sewers. This, however, was only temporary. I think the company has acted in good faith, and we are still doing all we can—and will continue so to do—to give the city a good service. We think we have shown every evidence of good faith to give the city all that can be asked, and when our appropriation is expended we think Hillsboro will have as good a water supply as any city in Oregon. Had there been no great public improvement here this Summer we do not think there could have been a single complaint on the water service."

Judge Campbell's Court: Tongue vs Warren Construction Co, evidence submitted and argument to follow at later date; Martin Goemans, of Verboort, admitted to citizenship; will contest late John M Simpson, deceased, set for Jan 22; Furbeck vs Nappach and Herman Wittenberg, set for Jan 23; State vs B S Payne, charged with obtaining money under false pretences, pleaded not guilty and trial set for Jan 18; State vs Janey McE. Galbreath, Tualatin, set for Jan 19; Wilson vs Wilson, decree; Thayer vs Thayer, suit of mother to get possession of real estate, evidence heard and argument to be made later.

For sale, at a bargain: Jersey cow, fresh; gentle; good family milker.—Mrs. C. O. Upton, Hillsboro, Oregon, R. 2, Box 100. On Copeland ranch, 3½ miles southeast of Hillsboro, on Farmington river road. 40-2

J. May, known to Multnomah and Washington County people as a horse trader, was arrested by the Portland police, Tuesday, on suspicion of having shot a policeman several years ago. May says the officers have nothing against him, and that he is entirely innocent. The man was brought out from Portland the other day, but released by Judge Smith, the arrest being on a charge of larceny, near Glencoe. There was no identification, so he was given his liberty, only to be picked up by the Portland police, later.

Waibel Brothers will open a meat market in the Brandaw Grocery, Saturday, Dec. 23, with Frank Waibel, who has been with Emmotts for 3 years, as cutter. The new firm will handle government inspected meat for the present. They will buy fresh pork, beef, mutton, and all kinds of poultry. They solicit a share of the public patronage. Call and see them. Shop open Saturday of this week.

What is more cheerful than a nice bouquet of carnations for Christmas. If you are invited out to dinner don't forget to take a few carnations.—Bergen Floral & Nursery Co.

When the old First National Bank business was wound up there remained the sum of $10.52 which was an insignificant dividend to the numerous stockholders, and on motion of W. H. Wehrung the money was turned over to the Coffee Club to help maintain their building, and Zina Wood, secretary, sent check last week.

HILLSBORO COMMERCIAL BUILDING ASSN. ELECTS

Names Board of Directors and Officers, at Meeting, Tuesday

BUILDING COMPLETED IN 30 DAYS

Commercial Bank to Occupy Northeast Corner of Block

At a meeting of the Hillsboro Commercial Building Association, Tuesday, the by-laws of the institution were adopted and directors and officers elected for the ensuing year. The Association is capitalized at $50,000, and every dollar is paid up in cash. Practically all of this money has gone to the purchase and remodeling of the Schulmerich brick block, and the organization expects to have the part rented to the Connell store ready for use in a few days, and the corner, which will be occupied by the Commercial Bank, will be ready to receive the banking house somewhere near February 1. Dr. F. A. Bailey presided at Tuesday's meeting, and John M. Wall was secretary. Directors were elected as follows, Dr. F. A. Bailey, J. J. Krebs, Ed. Schulmerich, T. H. Tongue and John M. Wall. Dr. F. A. Bailey is president of the board, J. J. Krebs, vice president, Ed. Schulmerich, treasurer, and T. H. Tongue, secretary.

The fixtures for the Commercial Bank are on the way, and the new quarters will be very attractive, the entrance to corner on Main and Second.

LILLY TRACHSEL

Miss Lilly Trachsel, aged seventeen years, four months and seventeen days, died at the home of her parents, Mr. and Mrs. Jacob Trachsel, December 18, 1911, the funeral taking place from the home, interment being in the Union cemetery, near Cedar Mill. Deceased leaves her parents, six sisters and two brothers to mourn her loss.

Dr. Lowe, Friday.

A farmer living near Holbrook was in the city last Saturday, and while in one of the resorts talked considerably about the McNamara dynamiting case. He was very bitter against the unions, and told of all kinds of things he would do if he had the power. After visiting an hour or so he started down the street and had to pass a two-story building. Some one in the upper story carelessly let a 32-candle power electric light bulb drop from the window, and it struck the pavement with a report like a miniature cannon. The Holbrook gentleman yelled like a Commanche Indian, and made a bee line for his horse, which was tied to the chain, and make his getaway. He never once looked to the rear, and is doubtless telling his neighbors how some one tried to dynamite him, and how narrowly he escaped death.

Begin now. A savings account with the Hillsboro National Bank, a government institution, earns you four per cent. interest. You will be surprised how your money will earn you money—and it is always safe.

N. H. Alexander and A. B. Combs, while out in a rig, yesterday, on insurance business, had an accident which terminated happily, which might have been disastrous. They were near the Tews' place, in North Hillsboro, when the horses were turned around. The turning, in some manner, broke out several spokes of the wheel, and the horses, which they had driven for weeks, became unmanageable, and started to run. They collided with a pole and stripped the singletrees, getting loose from the vehicle. Mr. Combs fell out over the dash-board, sustaining some severe scratches. N. H. was not injured at all.

When you go to Forest Grove for Christmas purchases remember that K. N. Staehr has the largest line of toys and Christmas goods in the entire county. A $25 doll given away this year, as usual. Ask Staehr's Bazaar about it.

A few weeks ago J. B. Walker, of below Beaverton, caught a strange specie of bird in a musk-rat trap. He brought it to J. M. Wall, and that gentleman asked many ornithologists to name the individual, but none here could place it. It was finally discovered to be a Rail, a bird well known in the swamp regions of Virginia and the Carolinas. It is built like a dove, but had a beak a great deal like a snipe. It's lines are beautiful, and Mr. Wall had it mounted—Dr. Ernest Everest, of Cornelius, a taxidermist of no mean ability, doing the work. It is on exhibition at Mr. Wall's office.

Remember that the Hillsboro National Bank is always under government supervision, which insures you the best protection. One dollar opens an account. 4 per cent. paid on savings.

Everybody will have Christmas as a Holiday except the post office employees and the rural mail carriers. The post office people, however, can have a part of the day to themselves, while the rural mail carriers must get out in the mud and deliver belated Christmas packages. This is one of the government regulations—and if you live in the country and do not give the carrier a pleasant smile you are passing up a genuine Santa Claus. The boys will have New Years for a rest day, however—and that helps some.
