SIXTY-TWO WILL BE CHOSEN

Representative List of Citizens for 1912 Jury Service

The county commissioners' court this week selected the names, 200 in number, from whom sixty-two men will be drawn for jury service for the year 1912. Each man drawn must appear on the tax roll, and it is no small tax. There are oftentimes many who, when drawn, invariably decline because of personal matters, and, again, men with infirmities such as would disqualify them from being good arbitrators, and these the court usually avoids. Deputy Clerk E. C. Luce checked off the names as they were drawn, and the list is as follows:

Grafted Walnut Trees

As I have made a careful study of the Walnut Industry in California, Oregon and Washington for the last six years and have great confidence in the future of the industry, especially in the Willamette Valley, we are planting 250 acres of our own.

As we are growing and grafting the trees for this tract to insure reliability and uniformity we decided to graft some for sale of the same quality. In offering these trees to the public we believe we are offering the very best that can be produced at any price—Vrooman Franquettes grafted on Royal Hybrids and California Black Root.

Washington County has a bigger area of land suitable for walnut culture than most any other county in the valley, yet very few first-class trees of the late-blooming varieties that are adapted to our climatic conditions are being planted.

Order early, as our supply has never been equal to the demand.

Ferd Groner.
