

E. B. TONGUE HAS A FINE LEGAL SUPPORT

Members of Bar, Irrespective of Party, Give Endorsement

ASTORIA, ALSO, COMES FORWARD

Has Had Marked Success as a Prosecutor for the State

To the voters of the Fifth Judicial District: We, the undersigned, friends of E. B. Tongue, who is now serving his first term as Prosecuting Attorney for the Fifth Judicial District of the State of Oregon, comprising the counties of Columbia, Clatsop, Clackamas and Washington, and who is now a candidate for re-nomination, beg to submit for the favorable consideration of the voters of said District the recommendations of the Republican members of the bar of the different counties of said district, together with our own:

The following, signed by every lawyer in Hillsboro, Oregon, Mr. Tongue's own home city, both democratic and republican, with one exception, speaks for itself of the high regard in which he is held by them:

The undersigned, members of the Hillsboro bar, having the highest confidence in the legal ability and personal integrity of E. B. Tongue, a candidate for the Republican nomination for the office of Prosecuting Attorney for the Fifth Judicial District of the State of Oregon, do hereby announce our support of his candidacy and ask that he be re-elected to that office by the voters of this district who have the honor and personal record of this office and are a second term.

The following from the republican lawyers of Astoria, county seat of Clatsop, and the home of Mr. Norblad, and which is signed by every republican attorney, except Norblad, his associate, and one other:

The Fifth Judicial District never had a prosecutor who worked harder or was more conscientious, and we heartily believe that he should be re-nominated and re-elected, and we recommend that the action be taken by the voters of this district.

The following, signed by every republican lawyer in Columbia County, with one exception:

We, the undersigned lawyers of Columbia County, believe the faithful, conscientious and efficient service of a public official should be rewarded by the election to a second term. The Circuit Judge of this District, in observing the great and often better to E. B. Tongue as one of the ablest prosecutors in the State of Oregon. He should be re-nominated and re-elected.

The following signed by all the republican members of the bar of Oregon City, the county seat of Clackamas County:

We, the undersigned lawyers of Clackamas County, hereby recommend that E. B. Tongue be re-nominated and re-elected to the office of District Attorney for the Fifth Judicial District, comprising the counties of Clackamas, Clatsop and Washington. This should be done as a reward for the faithful and efficient service he has performed during his first term. As an able, conscientious and hardworking prosecutor he stands second to none in the State of Oregon.

The following record of Mr. Tongue during his first and present term tells a simple story of success. He lost only 17 cases out of over 630 Circuit Court cases in the different counties, a few of which are still pending; he has won every criminal case tried in the Supreme Court. The number of cases above set forth does not include the hundreds of Justice or Police court cases—simply the Circuit and Supreme court cases; those of importance, consisting of murder, burglary, highway robbery, rape, etc., the list including 6 murder cases—5 convictions, 1 acquittal.

We know that Mr. Tongue will honestly, vigorously, faithfully and impartially perform his official duties without fear or favor and accord to every individual, irrespective of party, politics or personality, a square deal under the law, keeping always uppermost in his mind the interests of the taxpayers, and that he will protect the innocent, as well as prosecute the guilty; that he will require every case to stand upon its own merits and prevent private cases from being tried at public expense; that he cannot be clabbed, slandered, bluffed or driven to squander the taxpayers' money on useless, frivolous or malicious prosecutions;

We, therefore, respectfully submit that Mr. Tongue merits re-election, and should be supported by the voters of the Fifth Judicial District.

(Signed) J. W. Bailey, J. W. Connell, Geo. G. Hancock, Cal Jack Jr., Geo. R. Bagley, W. G. Hare, J. P. Tamesie, J. A. Thornburgh.

The new fire apparatus arrived the first of the week, and is now in the fire quarters. The new team was hitched to it Monday, and it was hauled through the streets, giving the old "country town" the appearance of a metropolitan city. It carries hose, a chemical, several ladders and fire apparatus, and as it is to be hauled by the city horses it will be a real fire fighting machine worth while. The contractors have finished up the apparatus quarters so that the team and trucks will be all together, and when an alarm sounds things will get rushed to the fire post haste.

CIRCUIT COURT HAS ITS OPENING MONDAY

Damage Case of Paul Morette, for \$2500, is Non-suited

DOES NOT GET PAST THE JURY

School District Case At Aloha Goes Against York

Circuit opened Monday morning and Judge Campbell appointed the following to serve as grand jury: John Ireland, foreman, Winfield E. Pegg, Wm. Bagley Sr., H. C. Carstens, A. E. McCumsey, John Bateman, John Kostur. A. M. Collins was appointed to serve as grand jury bailiff, and the investigating body is at work.

The damage case of Paul Morette, suit to collect \$2,500 from the Pacific Railway & Navigation Co., for the death of Mrs. Morette, last Fall, failed to get to the jury. Judge Campbell granting a non-suit after the plaintiff had rested the case. The jury viewed the premises at Timber Monday, and they served until yesterday noon, when the judiciary stepped in and gave the order for closing the case. W. N. Barrett and H. T. Bagley were in court for Morette, and Wallace McCamant, Portland, and Geo. R. Bagley were counsel for the railway company. The jury: J. C. Fisher, J. W. McRoberts, Geo. J. Palmateer, Robt. McKnight, C. T. Hall, Steve Meek, Robt. Alexander, G. E. Sinclair, Geo. R. Adams, Wm. Williams, Wm. Tucker and John R. Ennis.

The court also decided that the quo warrant proceedings against J. T. York, in the Aloha school district embroglio were in due form and a decree was granted depriving York from the right to serve as school director. This was the case wherein York had sent in a resignation and afterward concluded to serve.

THE WALLACE SCHOOL

The Wallace school, Dist. No. 61, near the site of the old Dixie postoffice, has opened its spring session with 20 pupils enrolled and Miss A. E. Lee as teacher.

The new building, which was begun last Fall is now in use, and School Supervisor, Jas. H. Jack, after visiting the school last Wednesday, believes it to be the best one-room building in the county. The main building is 36x40, with an 8-foot porch and spacious steps leading to the front. A study room 27-35 feet, 2 cloak-rooms, hall, and a teacher's study room are provided. A perfect heating and ventilating system has been installed, which may serve in either winter or summer. Sanitation and lighting have been made special features, and many conveniences commonly having no place in a school, have been provided. Above the wainscoting the walls are plastered, and the woodwork, after receiving the natural finish, is varnished. New, adjustable desks are provided for pupils, while the teacher's desk and chairs would do justice to any school-room.

The grounds include two acres, and, although six months ago were heavily wooded, they are now cleared, plowed and leveled.

This splendid improvement is the result of consistent effort on the part of patrons, and the school board, of which Otto Hendrickson, F. M. Wadsworth, Robert Service and C. Berggren are members. A Haugeraud, a resident of Columbia county, is the contractor and builder.

J. E. Zimmerman, who has taken an active part in the matter, in speaking of the improvement said that with a new school and a good road toward Hillsboro, his community bids fair to attract some of the Eastern home seekers who, no doubt, will find homes in Washington county during the next year.

C. T. Young, who recently came here from Montana, has purchased the Wm. Finney residence on Main Street. The Kalispel Journal, his home paper, in the issue of March 14, had the following to say of Mr. Young's move here: "Chas. Young and family left on Tuesday night for Hillsboro, Oregon where they will make their future home. Mr. Young having sold his property in the valley and disposed of his Gateway interests. Thus the Flathead loses one of its old time people, Charley having lived in the Tobacco Plains region and in near Kalispel for more than twenty years. For four years he was county clerk and recorder of the County and made an excellent official. Their many friends both here and at the Plains regret their removal to another state."

J. W. Vandevelden, of Roy, will start closing out his \$8,000 stock of merchandise, beginning next Monday. He has taken a position with a life insurance company, and will go out of business. A. L. Grebe, of Laurel, was in town yesterday. He says he is in the market to sell his farm and timber land, on which there is a large amount of fine sawtimber, and a good mill site. He has a fine place, but he wants to get away from ranch life for a while.

J. H. Haase, of South Tualatin, was over Monday, delivering Burbank potatoes. He received two cents per pound for his last shipments, and this means receipts of about \$250 per acre. "Spuds is spuds," this year, and the hill farms have come into their heritage in great shape. The market started early at a cent and a half, and has steadily ran up to present prices.
