Better Sprays Mean Better Fruit

BETTER SPRAY NEUTRAL ARSENATE OF LEAD

Better Spray Neutral Arsenate of Lead is guaranteed under the United States Insecticide law 1910. Neutral Arsenate of Lead is practically insoluble in neutral and alkaline solvents.

It is the Arsenate of Lead to use in all variable climates, as there is absolutely no foliage injury resulting from its use.

It is the best Arsenate of Lead to use in combination with Lime-Sulphur Solution.

CONGO

No. 3672

License No. 157

PURE AMERICAN BRED BELGIAN
Congo is a bright bay, with small stripe in face. He is of the broad, deep, heavy muscled type, with fine style and action. He is perfectly sound and without a blemish.

In 1911, Congo won at the State Fair, first, in the American class and second in the open class, defeating a horse in this class, that had never been beaten before, and who was Grand Champion at the California state fair the week before. Congo won the Silver Cup at the A. Y. P. exposition in 1909, as the best American bred Belgian, any age. His sire and dam were both money winners at the same show.

Congo has a show-yard record and without a doubt will make a record as a sire.

It takes five different aged whiskies to make Cyrus Noble--each one good in itself. But it takes blending and re-ageing to bring out the best in each--to "round-out" the flavor.

Why punish yourself with rough, high-proof, strong whiskey when you can get Cyrus Noble everywhere?
