Administrator's Notice

Notice is hereby given that the undersigned has been by the county court of Washington County, Oregon, duly appointed administrator of the estate of Christian Larsen, deceased, and has duly qualified as such administrator. All persons having claims against said estate are hereby required to present the same to me with proper vouchers, at the law office of M. Bailey Bump, in Hillsboro, Washington County, Oregon, within 6 months from date hereof.

Dated at Hillsboro, Oregon, June 3, 1912.
Cari Larsen,
Administrator of the estate of Christian
M. Bailey Bump, Attorney for estate.

Notice of Final Settlement

Notice is hereby given that the undersigned Executor has filed in the County Court of the State of Oregon, for Washington County, his final account in the matter of the estate of Fred Meyer, deceased, and said Court has designated Monday, the 2nd day of July, 1912, at ten o'clock A. M. of said date, in the county court room in Hillsboro, Oregon, at the time and place for hearing objections to said final account, and for the final settlement of said estate.

Dated this 11th day of June, 1912.
Thomas Connell,
Executor of the Last Will and Testament of Fred Meyer, deceased.

Bagley & Hale, Attorneys for Executor.

G. C. CHAPMAN ASKS FOR FARM EXHIBITS

Says County Can Have Representation in the East

WRITES TO COMMERCIAL BODIES

Something the Hillsboro Development League Should Foster

Oregon will pay more attention this year than ever before to Eastern land shows and Secretary C. C. Chapman, of the Oregon Development League, is determined that this state shall be represented at the various expositions to be held next Winter.

He has taken steps to collect a good showing of grains, grasses, fruits and vegetables from various parts of Oregon for exhibit later in the East. He asks the co-operation of the various districts in order to do this and emphasizes the value this sort of advertising will do every section that falls in with the plan.

Writing from the Portland Commercial Club, he is sending out the following appeal to the various commercial bodies of the state.

Gather the grain in sheaves, cutting with a sickle before your general harvest. Also grasses, clovers, alfalfa. Try and get perfect straw, uniform lengths—get good, perfect heads, uniform size. Sheaves should be four inches through. We should have from five to ten sheaves of each variety from you. Each sheaf will be used at a different place, and must be new for each place. Wrap each sheaf separately, and do not tie tight and mar the straw. There's no use taking trouble to get good samples, just to spoil them by neglect of some little detail.

Put tag on each sheaf, showing name of grower and locality in which grown. We want you, your locality and the grower to get the prizes and awards. We will see that worthy samples are entered in competition all over the country, and the cups, ribbons, medals, prizes and awards that are won by your growers will all be exhibited here in Portland and sent to you. There are all manner of prizes offered and we want you to win some of them and secure the benefit of the publicity.

Get ridges of good stock grown from your seed. Also vegetable gardens, specimens, wash them clean, put them in a dry place, or a cooler, though—see Library Inc., where no light shines in to discolor—and at noonday. Properly dried, the common vegetables will be in first-class condition for all the big shows. Show what your section can grow in a diversified way—your people may not know in your town, and will be amazed to see what you gather.

Fruits are not so easy to handle—they should be "pro ease" in jars—and look prettiest when the whole limb or plant is processed. Have you anyone locally who understands this? If not, let us know and we will help you with some practical suggestion. But gather the grains, grasses and vegetables anyway—you can get busy on that without waiting for the fruit processing.

Send notices to all your progressive farmers—cheap dealers will do—your merchants will help you—your postmaster will take special pride in helping you. Ask your local newspapers to help you—the editors help every good cause, and they will arouse tremendous interest on the part of growers. Everyone should make it his and her especial business to see that his home locality is creditably represented at these great exhibits.

We will help you from this end. Send us the names of growers and we will write each a letter asking his personal co-operation. Send us names of public-spirited citizens who can help interest the growers—we will write them, asking them to drive out and visit the farmers. We will send shipping directions later.

Notice to Contractors

Notice is hereby given that the Board of Directors of School District No. 38, of Washington County, Oregon, will receive sealed bids for the finishing of the two upper rooms in the Orenco school house. Specifications may be seen at the Orenco Drug Store, Orenco, Ore. Bids will be opened July 5, 1912, at 8 o'clock p. m. The Board reserves the right to reject any or all bids.

Ira W. Handley, Clerk, Hillsboro, Ore., Route 4.

Miss Bessie Connell, of Portland, visited relatives and friends in the city, over Sunday.

S. C. Sherrill departs Monday for Marshfield, to teach a three months term of school, returning this Fall to take charge of the Watts school, above Forest Grove.

Travel over the county reveals numerous mule colts this season, and if this keeps up this section is going to rival the great state of Missouri for muliculture. It would be quite a joke for Oregon to out-mule the "show-me" state. A well known Missourian the other day admitted that the mule would go to better weight here, with same dam and sire, than back in Missouri, on account of it requiring less animal heat in the Winter, thus giving the youngster a better chance to grow.

The date of the first publication is Thursday, the 13th day of June, 1912. And the last publication the 25th day of July, 1912.
