A Getting Acquainted

Sale begins 9:30 A M

Lasts Nine Big Days!

## NORTH PLAINS

Sale Closes 10 P M  
**SEPT. 3RD**  
9 Thousand Bargains!

This will be an Event in Bargain Giving that will exceed all other sales ever given at or near North Plains. Having purchased the Hub Store stock from J A Carlquist, at a very close figure, we place for immediate Slaughter the entire stock for the benefit of our people, and when we say SALE it is a sale, and not a Fake. LOOK for the HUB STORE, with these Bills in the Window.

Nowdays people are fooled so often with fake sales that they are becoming cautious, and do not bite at every advertised fake they read, and in order to protect their own interests they are wise in taking this precaution. The faker is ever abroad, ready at all times to rob the unwary. The unscrupulous merchant often makes the mistake of thinking, by pricing a few articles cheap he could get the people to crowd into his store, and during the excitement and rush get larger values for his other goods, thus unloading a lot of old or surplus stock on the people.

**BUT THIS DAY HAS PASSED, PEOPLE ARE NOT ALL FOOLS. THE DAY OF THE FAKER HAS GONE AND PASSED.**

The merchant is looking for new fields to work his game. People are being educated on the price and value of merchandise, and the up-to-date merchant realizes this fact, as the season of the year is now at hand when the stores expect to sell the bulk of their

Fall and Winter goods at a fair profit. Under ordinary conditions, their expectations would be fully realized. But this year has been an exceptional one, and the goods are moving very slow. It is now up to us to get busy and do it quick. Better for Mr. Merchant to turn

his stock in cash regardless of cost or profit, thus saving his credit, enabling him to meet his bills, giving the people bargains rather than leave them lay on the shelves, turning his goods into cash, giving him a chance to stock up with new goods each season.

**The People that Give Bargains on All Things Throughout the Store.**

When we give a sale we cut prices on everything—our exceptions are only in certain lines (and these are very few) which we buy subject to certain selling price, which we have to maintain.

**PICTURES**
