

HOME COMING DAY TO BE FEATURE

Old County Seat to be Illuminated for First Time, in Great Shape ONE BEST BET—BEST FAIR YET

A Great Pageant, Big Horse Parade, Poultry Show, and Fine Exhibits

W. W. Barrow, of the fair committee, states that Hillsboro is to have one of the best—yes, the best—county fairs in the old county seat, this Fall, that has ever been attempted.

Second and Third streets will furnish the Fair Ground, and Main will be left open for parades and overflow crowds.

There will be one day devoted to "Home Coming," and it is expected that on this date there will be hundreds of former Hillsboro residents out from Portland and other Willamette Valley points, and from Washington, gathering in to greet old acquaintances.

N. H. Alexander will see to the fruit displays, and there will be plenty of help to see to the vegetable showings.

With a splendid crop this season, and with the dates of the fair set beyond harvest, Hillsboro should have a four days' show that will be long remembered in history for where is there a county that can beat old Washington—the best county in the best state.

VanKleek and Lester Campbell have also bought registered Durocs, while Dr. Withycombe bought a female from the same lot, for the O. A. C., showing that the stock and registry were good enough for the state farm. There is good money in these registered swine, and a constant demand, which is difficult to fill.

THINKS BULL MOOSE IS AN EASY WINNER

Committeeman H. J. Goff, of Forest Grove, Sends Out Call WANTS SUPPORTERS TO DRILL

Asks Argus to Publish Notice, Which Follows in Article

H. J. Goff, the Roosevelt committeeman of Forest Grove, thinks the Bull Moose ticket is going to be a winner, but he says it will take hard work and a determined effort. He sends the Argus the following notice:

"To the Voters of Washington County: The Presidential campaign will soon be in full blast, and while we believe that Oregon will roll up a large majority for Col. Roosevelt, we do not want to lay down and think we can win without a determined effort.

On August 3, there was a meeting held in Forest Grove for the purpose of effecting a county organization, at which A. E. Scott was elected chairman, P. G. Kinzer, secretary, and H. J. Goff, county committeeman.

To make the organization of the Progressive Party comply with the primary law petitions will have to be circulated and the names of 7,500 legal voters secured. This is going to take some time, and a lot of work, and must be completed by Sept. 15. We would like all who are in favor of this cause to send in their names to P. G. Kinzer, Forest Grove. Also those who feel that they can help in circulating the petitions. Let us know at once as I shall have them ready to send out in a few days.

H. J. Goff, Forest Grove, Co. Committeeman."

Since the first of the year County Clerk Bailey and Deputy Luce have sold 1,005 hunting and fishing licenses. Of these 556 were straight hunting, and the balance were hunting and fishing combined, and fishing. This means that at least one-fourth of the voting population takes to the creed of Izaak Walton or Nimrod.

Inasmuch as man can fish on his own premises without a license, the average of those who are after speckled beauty is pretty high. Of course, many of the licenses are granted boys under 21, but the majority of them are belonging to families in the county, so the average, in a way, would prevail.
