Man Aged 64 Years, a Newcomer, Found Unconscious by Neighbor

STRICKEN HOURS BEFORE FOUND

O. B. Connor, aged about 64 ream, either batchelor or widowr, was found unconscious at his five acre place, below the Delsman place, 5 miles southeast of Hillsboro, Saturday, by Constantine Miller, a neighborman laying in an unconscious condition, infering from a parayltic stroke. He had fallen near the corner of his shack. Miller gave an alarm A COMPANIA OF THE PROPERTY OF THE PARTY OF T Connor was taken to the farm, never regaining onsciousness, and died Sunday afternoon.

Connor came here from the lohn Day section, Grant County, and recently bought five acres ust below the Ben Anderson dace, afterward bought by the Delsmans. He had about \$30 in is pockets, when found, and all notes and effects were intact. His total assests consist of a house and lot in Dayville, Grant County, about \$4,250 in notes and accounts and bank balances,

Telephonic advices from Dayille, near Canyon City, state that he has no relatives there, but that he has a brother in Cininnati, Ohio, who is a druggist y profession.

Connor's watch was stopped at 1:45, and Dr. Linklater thinks the man must have lain in his stupor, before discovered, all the way from 24 to 36 hours. When Mr. Miller found him, the stricken man could just feebly raise one arm. One eye was entirely ightless, Dr. Linklater states, while the other was but slightly sensitive. The attending physician wound the watch and it started keeping time, and he thinks perhaps it stopped some Friday evening or Saturday morning, although the stroke might have come as early as early as some time Thursday, udging from the condition of the

The remains were brought to the Donelson undertaking parors, and embalmed ready for hipment upon advices from any elatives who may be found.

There was not the slightest indication of foul play, and death was due to paralysis only.
