

CIVIL WAR VETERAN HARTRAMPF PASSES

Was Highly Esteemed Throughout Washington County

SUFFERER FROM PARTIAL PARALYSIS

Died at Nesbeth Sanitarium, Portland, Thursday, October 31

J. W. Hartrampf, a highly esteemed and respected citizen of Hillsboro, passed away at the Nesbeth Sanitarium, Portland, Thursday, October 31, 1912, after suffering several months from a stroke of partial paralysis. For twenty-six years he has made his home in Washington County, and he leaves a host of friends who deplore his death.

Mr. Hartrampf was born in Prussia, May 10, 1846, and came

J. W. Hartrampf

to America when he was but 14 years of age. His family settled in Wisconsin in 1860. At the age of twenty-two he enlisted in Company E, 7th Wisconsin Infantry, and joined the regiment near Petersburg, Va., early in 1863. He was mustered out of the service at Jeffersonville, Ind., in July of that year. Returning home he was married to Frederica Wilhelmina Hoppe in Dodge County, Wis., Nov. 18, 1866. They later moved to Minnesota, and in 1886 came to Oregon, settling near Cornelius.

The widow and the following children survive: Mrs. Elizabeth Thies, Cherry Grove, Ore.; Wm. F. Forest Grove; Robert C. Ferdinand E., Albert J., Otto B. and the Misses Amanda and Minnie, all of Hillsboro.

The funeral took place Saturday at two o'clock in the afternoon, services being held in the Methodist Church. Interment was in the Old Fellows' Cemetery.

Mr. Hartrampf was well known at Forest Grove, Cornelius and Hillsboro, having resided here for a number of years. He was the soul of integrity, a good neighbor, and a man of sympathetic disposition.

Four children born to the union preceded the father in death—Charles died in 1903, Gustaf died in 1901, Henry died Jan. 13, 1906, in Hillsboro, and Benjamin died in infancy.

JOSEPH MILTENBERGER

Joseph Miltenberger, of North Hillsboro, died suddenly, about noon, Saturday, Nov. 2, 1912, at the family home. He had been ailing for a few days, but his condition was not regarded as dangerous. Mr. Miltenberger was born in Somerset County, Pa., in 1846. In his youth he was employed as a brakeman on the Pennsylvania lines, between Pittsburgh and Altoona. During the Civil War his train carried the Abe Lincoln cannon, the largest gun of those days.

He moved to Indiana in 1865, and was wedded to Susan Mary Replogle. In 1904 the Miltenbergers came to Oregon, settling at Tigardville. Later they moved to Hillsboro. The widow and following children survive: William A., Dallas, Ore.; Mrs. Ann Kizer, Granger, Ind.; Chas. E., South Bend, Ind.; Mary McCree, James, Fred and Arthur, of Hillsboro.

Mr. Miltenberger was a member of the Catholic Church, and of St. Paul's Branch 408 Knights of Columbus. In politics he was always a democrat. The funeral took place at ten o'clock, Monday, services being held at St. Matthews Church. Deceased was highly esteemed by all who have known him, and had many friends in the east end of the county, as well as in Hillsboro.

DISCHARGE OF GUN SHATTERS AN ARM

Mrs. J. S. Peterson, of Connell Station, Has Terrible Accident

HAMMERLESS WEAPON CAUSES INJURY

Was Taken To Good Samaritan For Operation, Thursday Eve

Mrs. J. S. Peterson, wife of a merchant at Connell Station, on the United, is in the Good Samaritan Hospital with a gunshot wound in her right arm that is imperiling her life. Mr. and Mrs. Peterson were in Hillsboro last Thursday afternoon, and started home in their hack about 3:30. As they were driving between the new school house and the Connell place a hammerless shotgun, which was between the couple, with the stock resting on the footboard, was discharged, the contents entering Mrs. Peterson's right arm, shattering the bone, and causing great hemorrhages. The husband supported her in his arms until she was hurriedly driven back to the Delta Drug Store, where Dr. Smith and Dr. Erwin gave her first aid. Dr. Smith then had her carried to his office, where he found the arm to prevent further bleeding, and took her to the Good Samaritan hospital on the 6:20 car. There she was attended by their family surgeon, who knew them in Portland. The arm may be saved, but this is considered doubtful, although Mrs. Peterson is doing as well as could be expected.

The woman is plucky, and withstood her injury like a stoic. They have one child, in the care of Mrs. Peterson's sister, at present, at Connell.

Neither knows just how the gun was discharged. It had a safety appliance, and there was no thought of danger.

Louis Sawyer, writing in the O. A. C. magazine issued by the students, says cows getting a full supply of green feed daily should have grain as follows: Jerseys, Guernseys, Holsteins and Ayrshires giving 20 to 25 pounds of milk a day, 3 pounds of grain daily; those giving 30 pounds of milk, 4 pounds of grain; 35 pounds of milk, 5 pounds of grain; and those giving 40 pounds of milk, 7 pounds of grain. For Jerseys and Guernseys giving 50 pounds of milk the grain ration should be 8 pounds, and for Holsteins and Ayrshires with the same yield, 9 pounds of grain a day should be fed.

The Grand Marca is the most wholesome "two for a quarter" smoke on market—made in Oregon, by E. Schiller. When you indulge in a good smoke buy a Grand Marca. 12tf

A. G. Hotchkiss and wife, who have been located near Jacksonville, Florida, for three years since last August, returned to Hillsboro Friday. They will locate in Oregon, and possibly will find what they want in the way of a small place, near Hillsboro. Mr. Hotchkiss has been in the garden and Belgian hare business, and did nicely, but says that Oregon, after all, suits a man who has spent some years here, better than any other place in the world. They formerly resided over in the Pebbie Creek section, on the Nehalem.

Do not forget to ask for a Schiller when you want a good 10 cent smoke—no "cough dust" in the Schiller. 12tf

Quite a number went to Forest Grove Saturday evening to attend the meeting at which Cyclone Davis, of Texas, was the principal speaker. Davis is a whirlwind, and gave his auditors the best in him—which is always worth the attention of any citizen. The campaign closed here Saturday evening, also, with Attorneys Huston and Hyland, of Portland, talking for Taft. The house was not all that could have been wished, but the enthusiasm made up for that.

One must be sold—Full basement, modern improved house on two lots in Hillsboro. Also a good house and 2 1/2 acres in McMinnville, near good school. Ideal town place for good chicken ranch. Must be sold in few days. Get a bargain.—Terms.—C. F. Bunsen.

I saw cordwood, poles up to 12 inches in diameter, fence rails, and boards of all kinds, into stovewood lengths. Will go into the country. Write, phone or call on me. Carl Skow, corner 8th and Fir, Hillsboro, Oregon. Phone, City 822.

H. H. Hall, of Shady Brook, was in town the last of the week. He had a potato vine over seven feet in length, when straightened out, and there were 14 inches broken off before measurement was taken. There were fifteen "spuds" on the vine, and all of them were large. That is some potato tree, sure.

C. Blaser Saturday received intelligence announcing the death of W. F. Hostetter, near Winesburg, Ohio. Deceased was a father to W. W. Hostetter, well known here and at Reedville, and to Mrs. J. J. Mays, formerly Miss Marie Hostetter. Death took place Oct. 30.

B. A. Gordon, the street paving contractor, has a kick coming on the conduct of the weather man. This weather is poor business for getting streets into shape.

Grant Zumwalt received a big petition to the mayor and council, asking that he be installed as nightwatchman in place of A. M. Brown, who was recently stricken with paralysis. The business men came through liberally.

The Wm. Wohlshlegel dairy sale, at the Brown livery, last Saturday, was well attended. Cows ranged in price from \$39 to \$95, and the average per cow was \$69. This speaks well for the herd, considering the time of year.

Wm. Luster, of Buxton, was a city visitor the last of the week. Chas. Emrick, beyond North Plains, was in Hillsboro Friday afternoon.

P. C. Stokesbury, the county road builder, was down from Cornelius, Friday.

Mr. and Mrs. E. E. Yarnell, of Tirober, were county seat visitors Friday and Saturday.

Mrs. Ruth Blair visited over Sunday with her son, H. T. Blair, and wife, of Portland.

Earl Tappen returned to his school near Timber, after a week's stay with his sister, Mrs. C. F. Bunsen.

For sale: About 60 Angoras, mixed; some kids. Will sell from \$1 upward.—L. J. Francis, Tualatin, Oregon. 32-4

CIRCULAR CASE GOES OVER TO GRAND JURY

Three Appear Before Judge W. D. Smith and Waive Examination

BONDS READILY GIVEN TO COURT

Celebrated Case Where Violation of Corrupt Practice is Charged

J. N. Hoffman, of the Forest Grove Press, John H. Heisler, a well known capitalist of Gales Creek, and Samuel S. Dallas, mail carrier to the Wilson River section, appeared before Judge W. D. Smith, Monday, and waived examination to the charge of violating the corrupt practices act of the legislature, decreeing that when a man sends out a political circular it must be signed.

The gentlemen were placed under bonds in the sum of \$600 to appear before the November term of circuit court. The bonds were readily furnished, the bondsmen being John H. Heisler, J. V. Heisler, and S. S. Dallas. J. N. Hoffman appears on the bond only as principal for himself.

They had no attorney with them at the time, but it is expected that Messrs. Hoffman & Bump will defend the case if it should go to trial.

The trouble grew out of a circular issued a few days ago, charging the county court with failing in their duty in the Timber road matter wherein one Bangs was the contractor. The circular was not signed, and contained several insinuations that might be construed in various ways—hence the taking of the matter into court.

Do not forget that Dave Corwin will do your plumbing and give you estimates. Satisfactory work always, and prices that can't be given by others. Chennette Row, Second Street.

W. S. Tilton, who departed for California last week, has bought a little home close to the beautiful city of Santa Rosa, and writes for the Argus. Tilton will make it go anywhere—if anybody can.

D. P. Corriari always keeps the finest fish in the county. All kinds in season. Also a fine supply of the freshest vegetables. Fry him, Second Street, one door South of Koerber's. 25-tf

W. F. Frenzler, of Oakland, Ore., was in town the last of the week, on business. Mr. Frenzler is holding down a big timber proposition down in Southern Oregon, and thinks he has a cinch on some future prosperity.

The O. A. C. bulletin gives kale first place for green fodder for dairy cows. The Washington County dairyman found this out years ago, and it is said that there is more acreage of kale in this county than in any other two in the state of Oregon.

Power left the drive wires of the Oregon Electric, Friday, just before noon, and stranded the noon cars out of Portland. The Hillsboro train was stuck below Beaverton for about an hour and a half, and when the train pulled in there was a hungry bunch, ready for an onslaught on the restaurants.

John A. Thornburgh is again mayor of Forest Grove. He was appointed by the council last week, succeeding George S. Allen, who had resigned. Mr. Thornburgh was mayor for one year, some time back, and gave universal satisfaction. The city does not have election until after the first of the year.

Archie Nichols, aged 17, and Emerson Ferrell, aged 14, the two young lads who were arrested for killing the elk near Buxton cemetery, Forest Grove, were before Judge Smith, last Friday, and waived examination. Judge Smith bound them over in the sum of \$300 each to appear before the November term of circuit court, and their cases will go before the coming grand jury. The elk has been shipped to Mr. Finley, state game warden, and the taxidermist will mount it.

Jas. S. Watson, now located at Swan River, Manitoba, writes for the Argus another year. Mr. Watson formerly lived between this city and Leisyville. He has invested in a half section of land, and had 55 acres of crop, besides 40 acres seeded to Fall wheat, which does fine in that region. Swan River is now building a \$30,000 school house—so it must be quite a place. He says the Winters are cold, but there is plenty of timber where he is located, and this serves as a windbreak.

Now that the election is over postoffice officials in Oregon, and for that matter, all over the United States, will have a rest from handling tons of mail matter. The Hillsboro office alone sent out from thirty to forty thousand pieces of mail, besides distributing more than this amount, sent in from the outside. Postal receipts for stamps in Oregon probably exceed any like period of time, considering that there were so many tickets in the field. Postmaster Cornelius is now breathing more regularly, the rush being over.

SCHAER—SHEPARD

Frederick Schaer and Miss Harriet Shepard, known in this county, were united in marriage at Yuba City, Cal., Oct. 30, 1912.

The groom is the son of Mrs. Elsie Schaer, of above Mountaindale, formerly of Bethany, and the bride is a daughter of Mr. and Mrs. W. G. Shepard, who formerly resided in the Mountaindale section. The young couple will reside at Tudor, Cal., where the groom has a blacksmith business.
