## To Merchants

The Argus has a bona fide annual circulation of 2,000 in Washington county alone. These papers go to the heads of families in nearly all instances. A circular letter to these people from a business house would cost \$20 in postage alone. Aside from this expense, there would be the expense of printing and the labor of addressing.

Advertising in the Argus will get inside of this.  
Mr. Business Man, think it over, and try an advertisement in the ARGUS
