

BUICK

When You Pay What A Thing Is Worth
You Get The Worth Of Your Money
This is the experience of many Buick Owners in
Washington County.

Good buy means more than getting something at a
low price. After all it's nothing more than getting
your money's worth.

Quality means cost, but everybody knows
the better the quality the greater the
durability, and it is durability that finally
decides the net cost of a purchase.

We have experts continually on guard in
our shops to see that you get your money's
worth. They inspect ever and over, every
screw, every single part that goes
into Buick manufacture. If the quality
is off grade, they scrap it. If the work-
manship is off a hair's breadth, they
scrap it. It costs us thousands of dollars
a year in salaries alone, to say nothing
of the loss represented in material dis-
carded. That's the money we spend for
the Buick O. K.

The famous Buick overhead valve motor is
guaranteed to have more power and
more speed than any other type of motor
on the market. It will pull stronger on
low grade gasoline than any other type
of motor ever built and the fuel con-
sumption is less.

W. C. T. U. SESSION

The Hillsboro Woman's Christian Temperance Union was fortunate in having Mrs. Silbaugh, of Seattle, National Lecturer W. C. T. U., to address a mass meeting in the Baptist church, Sunday. She lectured on "The Vital Issues of the Day," which was replete with information and inspiration. The local union rejoiced in the addition of new members, ten active and five honorary.

The newly elected officers are: Pres., Mrs. Lucy Sigler, of the Free Methodist church; vice pres., Mrs. A. J. Perkins, Christian church; corresponding and recording secretary, Mrs. G. Taggart, Baptist church; treasurer, Mrs. Caroline Lund, Methodist. The Union will hold its meeting on Thursday, May 22, at 3 p. m., in the Baptist church. Everybody cordially invited.

Philip Shea, of near Scholls, was in town yesterday.

The B. Luck ranch, near North Plains, is in luck. A few days ago seven well and good-sized goslings arrived at the ranch one peaceful Sunday morning, and within a radius of two miles no one has lost a gosling, so the finders do not know what to do with the guests. This is no advertisement at all, and it is no income to the Argus, but if you have lost goslings, go after them.

On Sunday, May 18, at 11 a. m., in the United Evangelical church, the local Woman's Home and Foreign Missionary Society will have charge of the service; Mrs. F. E. Fisher and Mrs. Ida McFee, as delegates of the local society, will tell of the successful Convention of the Oregon Branch recently held at Dallas. The Branch President, Mrs. Miller-Stauffer has been requested to give her annual address at this service. Everybody welcome.

Reliability is one of

the first things we look for when we buy scythes and hooks. The steel of which the blades are made is tested by us, next we see that the handles have that hefty feel that makes the sythe or hook a good tool. You are sure of them being good when you buy here.
