

BUICK

When You Pay What A Thing Is Worth You Get The Worth Of Your Money

This is the experience of many Buick Owners in Washington County.

A good buy means more than getting something at a cheap price. After all it's nothing more than getting your money's worth.

Quality means cost, but everybody knows the better the quality the greater the durability, and it is durability that finally decides the net cost of a purchase.

We have experts continually on guard in our shops to see that you get your money's worth. They inspect ever nu, every screw, every single part that goes into Buick manufacture. If the quality is off grade, they scrap it. If the workmanship is off a hair's breadth, they scrap it. It costs us thousands of dollars a year in salaries alone, to say nothing of the loss represented in material discarded. That's the money we spend for the Buick O. K.

The famous Buick overhead valve motor is guaranteed to have more power and more speed than any other type of motor on the market. It will pull stronger on low grade gasoline than any other type of motor ever built and the fuel consumption is less.

FOUR CANDIDATES FOR P. U. PRESIDENCY

Selection Will Soon be Made for Successor to Dr. W. N. Ferrin

HEAD WILL BE CHOSEN IN FEW WEEKS

New Finance Committee For Special Fund is Nominated

The Board of Trustees for Pacific University and Tualatin Academy met at Forest Grove, Tuesday, to take up current affairs pertaining to the institution, and within a few weeks at the most a new president will be named to succeed W. N. Ferrin, who resigned several months ago.

The report of the committee of five, appointed at the last annual meeting of the board, was submitted, in which the names of four candidates for the office of president were presented. Final action was delayed pending the investigation of the credentials of some of the candidates, but there seems to be no question that the position will be filled within a fortnight.

The committee on credentials among others consisted of Napoleon Davis, of Aurora; Eugene P. McCormick, of Salem; Frank Warren Jr. and Wm. T. Fletcher, of Portland. The vacancies caused by the expiration of the terms of Stephen A. Lowell, of Pendleton, and Abbot L. Mills, of Portland, are not to be filled until a new executive is selected.

Frank Warren was elected to fill the vacancy caused by the death of his father, Frank M. Warren, which position he has filled until the expiration of his father's unexpired term.

Owing to the immediate necessity of additional funds to pay the new faculty, a new special committee of finance was appointed as follows: Philip E. Bauer, of Salem; John E. Bailey, Forest Grove; Newton McCoy, Portland; W. T. Fletcher, Portland, and E. W. Haines, Forest Grove.

The annual selection of teachers also came up, in which practically all of the previous faculty members were retained, with the exception of the department of history, which is to be filled by William M. Proctor, formerly City Superintendent of the public schools of Forest Grove. It is likely that upon the selection of the new executive that the present committee of control will manage local affairs for a time. This committee submitted a satisfactory report in which it was announced that the finances were better at the end of the school year just completed to the extent of \$4000 than the previous year.
