

# SLOW TRACK AT THE GROVE LAST SUNDAY

Excellent Time Was Made by Catrina Nort

PACER MAKES HALF MILE IN 1:04

Jupiter Pluvius Takes Delight in Sprinkling Capt. McCann

Jupiter Pluvius, not being satisfied with annoying the farmers who had clover down, also placed his displeasure on Capt. McCann, at the Forest Grove race track. Rains made the track heavy last Sunday, and also interfered with the attendance.

Notwithstanding these difficulties there were some good events. The free-for-all was scratched from the program, and in its place Barrows & Barkley's Walla Walla filly paced to beat the record of Dan S., made June 2. The girl did finely, but fell down a half second, making the half in 1:04. This was pretty good considering the condition of the track.

The 2:25 pace had some good contenders, as follows: Patton Duke, Barrows & Barkley, 1:05; Lightfoot, Hutchinson, 1:10; Anna May Zolock, Merrill, 1:16.

The 2:25 trot: Sweet Geneva, Merrill, 1:06; Ora May, Witt, 1:09; Seattle Maid, Barrows & Barkley, 1:10.

There will be some good races pulled off July 4.

Mickle testified that he was shown three-quarters of the cow in the shop warehouse, and he confiscated the calf at the slaughter house, and brought it in as evidence. A jury heard a portion of the case Saturday, and then postponement followed until the coming Saturday, in order to procure expert testimony as to the fitness of the beef in question. The calf was exhibit "A" in Judge Smith's court, and it was "dressed," except that its hide was still worn.

Mr. Kryder states that thousands of dollars worth of new stock, of the latest styles, have been added to the already large stock, and he invites the general public to inspect the new departure. A new feature of this store is the handsome window displays, at which the manager is an adept. Call and look over this splendid emporium, where the prices are always right.

# AND NOW WHO HAS THAT PETTION?

Order Made for Tualatin to Vote on Incorporation, Yesterday

AND THEN THE PETTION DISAPPEARS

Village Will Vote to be or Not to be a City, August 18th

The commissioners' court yesterday decreed that the village of Tualatin had conformed to the law, and that its citizens would have a right to vote on incorporation, setting the date for exercise of the franchise for August 18, 1913. The order was duly entered in the archives of the county after a long and arduous siege of examination into the law and signers, with Attorney Elisha Baker, the Anti-Saloon League attorney, on one side, fighting incorporation, and Attorney Thos. H. Tongue Jr., working for incorporation.

The voting part is settled—but alas! the original petition, with its proper file mark, has mysteriously disappeared, and where it is some one probably knows, but the court officials do not.

Just why it disappeared—just how it disappeared—and just when it was given its quietus so far as being in evidence is concerned, remains enveloped in darkness as jet as the tomb of Elisha, or whether it took wings and went up in a chariot of fire, as another solution of its absence, is mere conjecture.

Suffice to say, the petition was not to be found, and when it shows up and explains itself, another mystery will have been solved.

So, then, it is now a question, of "Petition, petition, who's got the petition." The legal status of the case is not at all in chancery for the board had the legally filed document, and acted upon it. But its loss is another story.

## Church Meeting Notice

All members of the Hillsboro Christian church are hereby notified to be present at the monthly business meeting to be held Sunday, July 6, 1913, at 3 o'clock, at the church building. Others who are interested in the property belonging to the church are invited to be present.

There is some talk of organizing a company here for the purchase of the old fair grounds, adjoining the city to the west. If the stock can be subscribed within a few weeks it is the intention of the promoters to remodel the grounds and erect some fine training stables. There is one of the best mile tracks in the state on the place, and in time it will be so suburban to Portland that races now pulled off there would come here. Besides this, such an organization would bring many horses here for training for the Northwest circuits, and this would mean that many men would be employed.

Ladies: We give you the opportunity to have your suits, skirts and long coats made by a tailor, and from the same material used in men's suits. Our measurements mean satisfaction, and we guarantee. Prices reasonable.—Aug. Tews, Second St., over Hillsboro Mercantile.

Also a few choice, young grade Guernsey cows.—Phone 555 Line 16, Scholls Central, or address Fred Groner, Hillsboro, Ore., R. 2.

A little son of Mr. Hornecker, of across the Woolly Bridge, was held up for 20 cents while returning home the other day. The lad was approached by the stranger and asked if he had any money. The boy trustfully told him he had the 20 units and the fellow took it away from him, saying, "I'll take care of that."
