## Twenty Years After

By REGINALD D. HAVEN

find something I needed. While runs-I found a trunk that was marked "Family Procureents" Curious to learn f I feet spoulded on mything valuable, opened it and speat some time exmining its contents.

I came moves two but has of letters cond beceiver with a tiblem that had

I loosened the packages and saw that

possed between a couple many years before, for the paper was tingest with

cheek. Could it be possible that I had written that sickening stiff? And

When I had somewhat recovered from my surprise and abasement the those old love letters of mise upon my wife. I wished to see how she would take me on paper as I was two decades. agone. Our oldest son was now about the age I was when I wrote the letters. and incidentally I thought be might be doing the same thing. Also quite likely our oblest daughter was or soon would be encumbering the multi with what she in time would be quite ashamed of

I selected one of the most lovestck of my letters and one of a near subse-When that time came, instead of say said, "Don't let it be a week before you tell us how you're getting on." I O. B. Gates returned Tuesday asked her how she would like to have and she said she thought it would be

> when attacked for sending her such an epistle.

When sufficient time had elapsed for her to receive my letter I received a and would spend the week end with her and the children. I arrived in the evening just before dinner, but had not announced my train. When I got home I saw at once that there was anxiety in the family, and it was on my account. My wife looked at me rutinizingly, especially studying my eye, which is an indicator of insanity.

"What's the matter?" I asked. "What's the matter with you?" was her counter question. "Have you any brain trouble?" "Brain trouble? No. What makes

you think I have?" "Head than," she said, producing the letter I had sent her.

"Well, what's the matter with it?" 1 askod

"The matter with it? Do you mean to say that you were in your right mind when you wrote it?" "I do as much as you were in your

right mind when you wrate the reply." "What reply?" I drew out the lefter I had in my pocket for her. She took it and began

to read, but had not turned a page before she stopped and exclaimed, "What rubbish Jackbing? "Rubbish! Do you call your epiato-

bury production rubbish?" "My epistolary production?"

"Certainly. You wrote it." Quickly furning her eyes upon it. again she read a few sentences further, 12

when she was a girl. "You've been playing a trick on me," she cried, turning away impatiently, "Papa," said Ethel junior, "I wonder

"Very likely you will, my daughter," I replied, "and you will probably make twenty years after on reading it if it turns up to mock you."

Thos, Tucker, of Woodstock, Parties wishing to pick hops was out the first of the week,

> Geo, Bacon, of North Yambill, was down to Hillsboro Tuesday, greeting friends and transacting business.
