

REMINGTON UMC

.22 RIFLES

The Little Rifles—Big in Quality

YOU are going to buy a .22 calibre rifle, single shot or repeater—you'll find that many well known crack shots started with a Remington .22. Their advice now would be "By all means, get a Remington" because they know that there is a tendency in some quarters to look upon these models as only "a small boy's rifle" and to cheapen them so that they can be sold at a price.

You have just as much right to expect full shooting value in your .22 calibre rifle as in your \$75 big game rifle.

You want the Remington single shot at from \$13 to \$16, .22, 25-10 or 32 calibre, made by the same people who make the famous Remington Autoloading Rifle.

Or, if you prefer the repeating rifle, the Remington rifle action, 22 calibre, with its many take-downs and special safety features, shooting 22 short, .22 long or .22 long rifle cartridges, at \$19 and up to \$200 and over. Sold by five dealers in this community—the most popular small calibre rifle in America.

It will undoubtedly be of interest to your city to join in this move by aiding in showing the writers the resources of your town and country, and to that end your attention is called to the enclosed schedule of the special train:

The train will reach Hillsboro at 9 a. m., Friday, and leave at 10 a. m. The schedule cannot be disregarded, but this company will be glad to co-operate with you in every way to get your town and country properly in the minds of the newspaper men, and will turn them over to you for automobile trips or any other entertainment. It is a chance for you to boost.

Meals and sleeping quarters will be provided aboard the train, so that no time may be taken up anywhere that might be devoted to seeing the valley.

The papers to be represented are: Oregonian, Telegram, Journal, Posten (Swedish), Zeitung, The Spectator, The Chamber of Commerce Bulletin, Scandinavian, and perhaps others. The party will number about 15.

Mark Woodruff, Publicity Agt.

MORTON & FREEMAN

UNION STOCK YARDS

Receipts for the week have been: Cattle, 1776; calves, 131; hogs, 1685; sheep, 1283; horses, 24.

A big run of cattle at the yards for the week. Most of the receipts were the stuff of very ordinary quality and a few cars of choice steers. The top for best steers was from 8.25 to 8.50, with some good ones going from 6.50 to 7.50. Prime stuff is in demand. Best deborned cows and heifers sold at 6.50 to 6.75, while the horned stuff went at 6.25 to 6.40, and ranged on down with fairly good grades from 5.75 to 6, and others 4 to 5.50, governed by age and condition. Bulls 4 to 4.50, and choice light veal calves 8.75 to 9. The price of cattle has only gone to pieces on poor stuff, the better class holding up well.

The hog market shows weakness with slow demand. Very light receipts with extreme top at the week's close. For one load 9.60, with bulk of sales 9.10 and 9.25.

Light receipts of sheep and lambs. Prices about steady with last week's quotations.
