Take that vacation—and take it now. It'll do you a world of good. The business world will jog right along, just the same, and when you are home you will feel like yourself and the foreman combined. This advice is germane to all business men excepting publishers of newspapers. All they have to do is to get out a paper under any or all circumstances, and just enjoy it. They do not need any recreation.

Well, well, it will not be long until we will have a macadam road between Hillsboro and Forest Grove, and motorists can then get acquainted with each other. There's nothing like good roads to eliminate distances.
