J. J. Krebs came over from Rockaway, Saturday, and returned Sunday. He says that the Hillsboro contingent at the beach is having the best time in the world, and they aren't coming home until the weather chases them back.

The Hellebuycke Brothers had an auto wreck, late Saturday evening, on Washington, at the corner of Fifth. One wheel was completely demolished and the wind shield was put out of commission. Otherwise there was no damage, and no one injured.

The congregation assembled in the Grace United Evangelical church on Sunday was accorded an unusual treat and manifested great interest in the same. A male quartette, composed of the four Davis brothers, Alva M. Davis, of Laurel; James N. Davis, of Sherwood; Arthur Davis, of Hillsboro; and Herbert C. Davis, of Woodston, Kansas; and then a quintette formed by the addition of Mrs. Rena Davis Selzer, of Sherwood, daughter of James Davis, rendered a number of excellent selections at both morning and evening services, to the great delight of all present.

CIRCULAR LETTER

Commission O. P. Hoff has sent the following to deputy labor commissioners:

"Gentlemen:

In pursuance and according to the conclusion reached at our conference, the following rules will be enforced.

Slashers—All guards on slasher saws must be continuous so as to cover the entire series of saws; the guard to be made solid and to extend beyond the edge of the saw at least 24 inches, and the height from the platform to be not over an inch above the arbor line.

Boilers—1. All horizontal tubular boilers must have fusible plugs, placed in rear tube sheet at least 2½ inches above top row of flues.

2. All fire box boilers must have fusible plugs, to be placed at the highest point of crown sheet.

3. All safety valves must be examined frequently and kept in good working condition.

4. All boilers must be provided with three water guage cocks.

5. All boilers must have blow off connection at the bottom of the back end or lowest point of boiler.

6. All water glasses on boilers must be properly guarded.

Spike Rolls—Spike live rolls used for conveying lumber in the mills or yards must be discontinued.

Linotype and Monotype Machines—All metal pots on linotype and monotype machines must be piped so as to carry vapor out of room."
