

# CORNELIUS PIONEERS IN GOLDEN WEDDING

Benj. Schofield and Wife  
United in House of Marriage  
TENTH ANNIVERSARY CELEBRATED  
At Present Yesterday Who Attended  
and Nuptials in 1883

and Mrs. Benjamin Schofield celebrated their Golden Wedding at their farm home in the presence of their children, grandchildren and a large circle of relatives and friends. The ceremony of the day took place at High Noon, in the same room, and in the same place, as bride and groom they had fifty years ago, when they were united by Justice of the Peace.

Wm. Brown, Father of Suse Morgan of Hillsboro, John M. and Mary Brown, Rebs, Rev. Piper, of the Cornelius M. E. Church, officiated yesterday.

Schofield was born in Illinois June 20, 1840, and crossed Plains to California in 1867, moving to Oregon in 1888. Mrs. Schofield, whose maiden name was Sarah V. Hall, was born in Wisconsin in 1847, and came to Oregon when an infant. She was the stepdaughter of the late Sam McLean.

Those present yesterday who were at the wedding in 1883, were Josiah and Clarinda Beal, Simon McLean, Martha Emrick, bounds, Atkins, Sieger, J. C., and Lucy Laemmlen, then Mrs.

The children were present at the ceremony yesterday, and accompanied by their children, Mrs. Scott Cornelius, Asst. Mrs. Schofield, Cornelius, Rebecca Goodin, wife of W. Goodin, on the home farm; Mollie Ward, wife of E. J. Ward of Gaston, and Mrs. Hart Yoder of Cornelius.

There were numerous presents, and after the wedding was celebrated, the large party enjoyed a delicious buffet dinner. Mr. and Mrs. Schofield received hearty congratulations from the many in attendance, and the event, all in all, one of the affairs of the year, chief among the visitors from distant states were F. L. Hay, St. Louis, Mo.; John Hay and wife, Omaha; and Ben Hay and wife, Portland.

The bride was dressed in white, in the same mode that she wore years back, and Mr. Schofield wore a brown suit, representative of the buckskin, worn in those days.

F. L. Hay, superintendent of the sleeping and dining service of the Great Northern Railway, was in the city yesterday. Mr. Hay came clear through from St. Paul to be present at the golden wedding of Mr. and Mrs. Benj. Schofield, who are related to him. F. L. says that old Hillsboro, every street of which he knew as a boy, looks good to him. Mr. Hay also has charge of the big Summer hotels in the Rockies, owned by the G. N., and his many duties keep him busy. While here he tried to find W. V. Wiley, who railroaded with him away back in the eighties, but his old tillage was out of town.

## BIG MIX-UP COMING ON COMING ELECTION

**Who Knows Just Where Local Option and Home Rule Meet?**

**WHO WILL COUNT THE BALLOTS?**

**Legality of Prohibition Election is in Chancery Just Now**

City Attorney W. N. Barrett has tendered the following on the coming liquor election, ordered by the county court for Hillsboro:

"Answering your question as to whether or not the City of Hillsboro should appoint the judges and clerks for the local option election to be held in said city on Nov. 4, 1913, I will say that, in my opinion, they should be appointed by the County Court of Washington County, Oregon, and not by the City Council. My opinion is based upon the following provisions of the City Charter and the local option law of the State of Oregon:

Section 41, of the Charter of the City of Hillsboro, provides that the City Council shall have power to submit any question relating to taxation, regulation or prohibition of the sale of spirits, vinous or alcoholic liquors to the legal voters of the City of Hillsboro at any regular election. If the City Council does not voluntarily submit the question, they can be compelled to do so under the provisions of Chapter 28, of the Charter of said City, which gives the right of the initiative to the people of the City of Hillsboro to be exercised in the manner specified and provided in Chapter 28, of the Session Laws of the State of Oregon, for the year 1907. Chapter 28, of the Session Laws for the year 1907 provides a method of submitting charter amendments or ordinances to the people under the initiative, and provides that the same shall be submitted to the voters at the next ensuing election and does not provide for a special election.

The local option election ordered by the County Court, is not to be held under the provisions of the City Charter, but under the provisions of the local option law of the State of Oregon. Section 422, Lord's Oregon Laws, the same being a part of the local option laws of the State of Oregon, provides that the elections provided for in this act shall be at the regular voting place, or places, within the limits and by the judges and clerks appointed and qualified under the general election laws of the City election, then within said City or Town by the judges or clerks appointed and qualified under the Charter of such incorporated city or town, or under the laws of the city regulating such city or town election, and the return thereof shall be made in conformity with the provisions of said general election laws.

It is further provided that when an election shall be demanded to be held at the time of the city or town election, occurring in a year in which there is no general election, then the county clerk shall notify the proper authority of such city or town that such election has been demanded in order that said city or town authority may cause the official ballots to be prepared in accordance with the provisions of this act, and the City Recorder shall make return to the County Clerk of the vote for and against prohibition. This statute was passed in the year 1909, and did not provide for the holding of local option elections in cities whose boundaries were not coterminous with the boundaries of the precincts.

The legal voters of this State, by and through the initiative, in the year 1910, adopted what is known as the Home Rule Constitutional Amendment. This amendment gave the legal voters of every city and town the exclusive power to license, regulate, control, suppress or prohibit the sale of intoxicating liquors in such municipality. Said amendment further provided "But such municipality within its limits, is subject to the provisions of the local option law of the Oregon."

The Supreme Court of this State, in *State vs. Perkins*, 121 Pacific Reporter, page 297, held that the Home Rule Amendment on local option law had the effect to divorce all municipalities from the counties of which they form a part and to create separate entities or units for the purpose of putting into effect the local option law and that there are now four districts within which a vote may be taken, 1st, the whole county; 2d, any precinct in the county or consolidation of precincts; 3d, any ward in a city; and 4th, the city itself. That the intention of the amendment was to give the cities the exclusive control of the liquor traffic and to make cities, as to their minor wards and precincts, the greater unit.

That the procedure preliminary to submitting the liquor question to a vote should be by petition to the County Court and order of that body, and should follow in general the local option law. That the notice for the election should be posted by the sheriff and return made as theretofore provided.

The election in Springfield, being the election considered in *State vs. Perkins*, above cited, was held on Nov. 7, 1911, being the date of the regular city election, and as the city had its regular election and its own election machinery, the election was properly held and conducted by the judges of the city election under and pursuant to the provisions of Section 4922 of Lord's Oregon Laws.

The election called for the 4th of November in the City of Hillsboro, does not come at a regular city election.

There is no provision in the Charter of the City for the submission of the local option question at any time other than
