FIRST ANNUAL CLEARANCE SALE

Address to the public: On March 1st, 1913, I opened for business in the Shute Building, corner of Second and Main Streets, with a large stock of goods, consisting of Groceries, Dry Goods, Furnishings, Shoes, and Crockery Ware. It has been my aim to carry everything that goes to make up a good Progressive General Merchandise Store. To date I have been in my New Location just long enough to know that I have built up a splendid business and have done remarkably well for such a short length of time. My 25 years in business has taught me that what the people want is good, fair and honest treatment and if you give them that you will surely be rewarded. It is not my intention to bilk the people by putting on this sale, nor is it to raise money to pay overdue bills, but it is strictly a sale to reduce my stock before spring goods arrive from the East. By attending this sale there is no doubt but what it will save you a great many dollars as you can see by a few of the prices I have quoted below. This is a Strictly Cash Sale and any goods charged, will be charged at regular prices regardless of who buys them, as I cannot afford to carry Sale Goods on my books for such low prices. On January 1, I will discontinue giving away premiums on so many dollars purchase, but instead will cut the prices of all Groceries. Please turn in your premium cards. Wishing you all a Happy and Prosperous New Year. Thanking you one and all for your liberal patronage in the past and Soliciting Your Future Business, I am respectfully,
R. H. GREER.
