smiled at the Judge. When she said 'Gentlemen of the jury' she spoke the word gentlemen as though every one on 'em had been born in an alabaster palace with jeweled doors and windows. She said she'd have to throw herself on the court's mercy, because Mr. Stumps was so nice to her she just couldn't help sayin' nice things to him too. She was awful sorry about it all and really thought he ought to have a consid'able verdic'. In fact, if she'd been rich she'd 'a' paid him a large sum, seein' she couldn't love him, without compellin' him to take his case into court.

"Reckon this puzzled the jury some They didn't seem to know which way to bring in the case to the widder's satisfaction. If they allowed Stumps the \$20,000 damages he claimed the widder would have to pay it. If they

Your Kitchen found for him with a few cents damages it wouldn't be complimentary to the widder. So when the judge gave 'em the case they refired to the jury room to talk it over. They all agreed on favorin' the defendant, but didn't know how to favor her most. At last one on 'em, an oldish married man, hit the null on the head, and they all
