MRS. MICHAEL FITZSIMMONS

Mrs. Mary Jane Fitzsimmons, of an execution, decree and order of sale issued out of and under the seal of the circuit court of the State of Oregon for the county of Washington, dated the 17th day of December, 1913, in favor of A. J. Hoy, plaintiff and against H. E. Emmott, Henrietta E. Emmott, Charles L. Chatterton, et al. defendants, for the sum of \$24.90, costs, and the further sum of \$344.00 with interest thereon from the 23rd day of December, 1913, at the rate of 7 per cent per annum, to use directed and delivered, commanding me to make sale of the property hereinafter described, I have levied upon, and pursuant to said execution, decree and order of sale, I will on Monday, the 20th day of January, 1914, at the south door of the Court House in Hillsboro, Washington County, Oregon, at the hour of ten o'clock A. M. of said day, sell at public auction to the highest bidder for cash in hand, all of the following described real property lying, being and situate in Washington County, Oregon, and particularly described as follows to-wit:

Lot 100 (A) and 100 (B), of and in Free-man's Acres, as the same appears of record and on file in the office of the county clerk of the county of Washington County, Oregon, containing 44.30 acres, to satisfy the hereinbefore named claim and for the costs and expenses of sale and said writ. Said sale will be made subject to redemption as per statute of Oregon. Dated at Hillsboro, Oregon, on this 23rd day of December, 1913. J. E. Reeves, Sheriff of Washington County, Oregon, By J. C. Applegate, Deputy. Bagley & Hare, Attorneys for Plaintiff

UNION STOCK YARDS

Receipts for the week have been cattle, 1604; calves, 2; hogs, 5318; sheep, 9174.

The receipts here last Monday included 850 cattle, 2200 hogs and 5500 sheep. This was the largest single day's receipts since the stock yards were established in September, 1909. One load of prime steers sold at \$8 and a few more at 7.75 to 7.85. The remainder of medium to choice beaves averaged from 7.45 to 7.85. Killers have a good-sized surplus on hand and it required extra choice beef to bring 7.25 to 7.50. Butcher stock is in better demand than steers, but is not as firm at the week end as it was at the beginning. Heifers are firm, and bulls and stags found quick sale. Beef price tendency is weak, demand slow and outlet narrow.

Over 5000 swine have arrived on the market in six days, but the trade has absorbed the supply at steady to higher prices. The bulk of prime light hogs has been selling from 8 to 8.10 with a few loads at 8.15 to 8.20. Outlet narrowed Friday, when another big supply came in on the week-end stock train.

The sheep market is showing improvement as the winter wears along, and while liquidation was rec'd-breaking, outlet was broad enough to discount it and both mutton and lambs sold higher. Lambs brought 6.55 at market's close and there is an unsatisfied call for fancy stock at that price.

CARD OF THANKS

We desire to thank our friends and neighbors who so kindly aided us and tendered sympathy in our bereavement, the loss of our infant son.
