VOL. XX

HILLSBORO, OREGON, JANUARY 29, 1914

NO. 45

TAX COLLECTION TO START NEXT MONDAY

Over Four Hundred Thousand Dollars Will Cross Counter

COLLECTION QUARTERS IN NEW ANNEX

Expected to Start Slow as There is No Rebate Allowed in 1914

Tax collection will open Monday morning in the new offices of the county treasurer, E. B. Sappington, and it is not expected that it will begin with a rush of past years, as the legislature has passed a law repealing the rebate feature. Taxpayers will have until April 1 to pay taxes, and, if the law is followed, there will be no half payments. The law reads:

"No rebate will be allowed. All taxes are due and payable before the 1st day of April, 1914. Half payments can be made before the 1st day of April, 1914, but a penalty of 1 per cent. per month will be charged on remaining half payment to be paid prior to September 1st, 1914. Where no payment is made before the 1st day of April, 1914, the tax becomes delinquent and a penalty of 1 per cent. per month is charged from that date to prior to September 1, 1914. After September 1, 1914, a penalty of 10 per cent. and interest at the rate of 12 per cent. per year will be charged on all delinquent taxes."

UNION STOCK YARDS

Receipts for the week have been cattle, 752; calves, 4; hogs, 489; sheep, 5070.

Livestock receipts less this week and business not so brisk. Only on Monday was there any interest aroused. A few cars of choice steers brought 7.60 and a load of young cows 6.75. Bulk of week's steer sales averaged 7 to 7.25 and cows 6 to 6.25. All other butcher classes were slow, and principal cause of price weakness was inferior beef quality and too much of it.

The hog market maintained its strength. Prices never rose above 8.95, but choice light stock averaged around 8 cents all week. A lot of swine that lacked prime finish sold at lower prices, but good quality pigs and smooth heavy stuff found a quick sale at steady prices. Receipts were fairly liberal, but some 2000 less than for same period last week.

Total arrivals of sheep were smaller than for previous six days. Wethers sold at 5.85 and ewes 4.75 "off cars." Lamb buyers gave 6.50 for the fancy grades and were not over-sold on a weaker basis with a 10 to 15-cent decline in all mutton lines.

Filing for offices will soon be the order of the day, as the primary campaign is about to be initiated.

Editor Scott, of the News-Times, was down from Forest Grove, Friday, and made the Argus office a brotherly call.

If you want a range that beats the world for the money, call on David Corwin, Bank Annex Building, and see his Quality Ranges, all the way from \$25 to \$55. These are the best ranges ever placed on the market in Hillsboro. Call in and see them.

Old Oregonians allege that we have more rainfall this month than in any corresponding month for many years. The falling weather has been so persistent that the lengthening of the days, so far as the mornings are concerned, has been barely perceptible.

Glasses, once the sign of old age, are now the sign of good sense. In the days of the old style double vision glasses, older people hesitated about wearing them because of the ugly, conspicuous lines. Call at the Hotel Washington, Saturday, Jan. 31, 1914, and let Drs. Lowe & Turner show you the new invisible, bi-focal, which enables you to see both far and near, and serves the purpose of two, yet looks like a single pair. They make you feel young, but do not make you look old. Nobody knows the convenience of these double-vision glasses until they have worn them, and yet, as far as appearance goes, nobody knows. Come in and let us talk it over with you. Free demonstration. Satisfaction guaranteed. Don't forget the date. Scores of Hillsboro references. Drs. Lowe & Turner will be at Forest Grove, Friday, Jan. 30, and at Hillsboro, Saturday, Jan. 31.

Mrs. Thos. Fowles, of above Mountaineer, was in the city Saturday. She states that Mr. and Mrs. G. A. Roberts, now in Rhodesia, South Africa, are expected in Oregon about June 1. Mrs. Roberts is well known here and formerly was Miss Bertha Fowles, a popular teacher, and a daughter of Mr. and Mrs. Fowles. Mr. and Mrs. Roberts will soon start to America, but will stop along the Red Sea, and visit, as well as points of interest in Southern Europe, Italy and France. The husband is in charge of the agricultural work at the largest mission in that section, and Mrs. Roberts is teaching in the school room.

I represent Spirella corsets—hot sold in stores. Will call at homes on request, and do the fitting, and teach how to adjust and wear the corset. Our tailored made-to-measure corsets, including the latest front lace, with an experienced corsetier service, cost no more than high class corsets purchased in stores. Mrs. M. E. Caudle, Hillsboro, Fifth and Jackson Streets, Phone No. 584.

The old German game of pinochle has been revived in the clubs of the city, and it has transcended all other card games. After the victim of pinochleitis is once inoculated with the disease there is no other card entertainment that whiles away the time. It requires more study and more care than all other games combined, and has a fascination that grows. The Germans are said to have worked out the card scheme years ago, in their military schools—and it is some game.

For sale: Forty acres, 1 mile of Oregon Electric survey; six miles of Forest Grove, 11 miles of 3 stores, P. O., blacksmith shop, school and churches. Hill land suitable for orchard and garden; also good walnut land; about 10 acres has been cleared, now covered with small firs; good spring; one million feet saw timber, or about 1000 cords of wood. Will take some stock as part payment. Address Kittie M. Ellis, Forest Grove. 44-6

Oregon last Friday had 31 of an inch over the average of rainfall, since Sept. 1. The weather man kept advertising shortage day after day until the big January freshet had subsided, and the rains of last week took a "spurt" and caught up with the procession of averages in a marathon. Just watch the bureau report, and you'll soon find old man average crawling to get ahead of the moisture.

For Sale—Ten head milk cows, 4 fresh, and others fresh soon. Graded Jerseys. Selling on account of leaving the farm. Also selling one thoroughbred Jersey bull, coming 2 years.—D. Shaw, Beaverton, Ore., R. 4. 43-5

John Loftis, of above North Plains, was in town Friday, on probate business. He states that the Knights of Pythias, of old Glencoe, are seriously thinking of building a hall up at North Plains. The boys already have a lot up in town, and the old building is becoming too small to accommodate their membership, which is now over fifty.

For the best values in hardware of all kinds, call on Dave Corwin, who can sell you the best at the lowest figures. Plumbing given prompt attention. Second Street, south of Main.

R. H. Crozier, assistant general passenger agent of the S. P. & S., Oregon Trunk, and the Hill electric lines, was out from Portland, Friday afternoon, and paid his respects to the newspaper fraternity.

Geo. Carter, of Oak Park, was in town Friday afternoon.

The S. Schulmerich is on the list from Hillsboro, and Hon. Wilbur K. Newell, of above Dilley, is to talk on horticulture, while Hon. Jas. Withycombe is one of the valued contributors to the lectures. This makes old Washington County sit up and take notice particularly when it means that we have one-quarter of the program list.

Thirteen men besides the railroad officials will be with the visitors, and this will mean that the subject of dairying, agriculture and horticulture, as well as poultry, will receive a full demonstration. The matter of hog-raising will also be exploited. The hours and dates are as follows:

Capt. A. M. Collins, the well known veteran, suffered a stroke of heart failure on the street, in front of the new P. E. & E. depot, Monday morning. He was talking to his brother, Man Collins, and Ed. Schulmerich when he was stricken. He was carried to the office of Dr. Linklater, where he became conscious and was taken home. Capt. Collins has not been in very good health for some time, and suffered an attack of grip last winter, the malady leaving him very weak. He has been balliff for the last grand jury for many weeks, and was apparently becoming stronger. All his many friends hope this kindly old veteran will recover his health.

Dr. and Mrs. Linklater went to Portland, Saturday evening, and attended the supper given at the "Bobby Burns" celebration. There were many notable speakers, among whom were Wallace McCamant and Col. C. E. S. Wood. Eulogies were pronounced in memory of the dead Scotch poet, whose writings have always appealed to the heart-hungry and the humble. Dr. Linklater reported a large attendance.

Two Liquor Law Violators Plead Guilty and Pay Fines

Wm. Penny, of Gales Creek, son-in-law of Elijah McCoy, a pioneer, pleaded guilty in circuit court, Friday, the charge being that he mutilated a horse by tearing its tongue from its mouth. Roll Degumia, of Cornelius, pleaded guilty of giving liquor to minor, and was fined \$50 and costs, on one indictment, and \$200 and one year in the jail on Nos. 2 and 3, and was paroled on the latter two, upon payment of the \$50.

Anton Christener, charged with wilfully and unlawfully selling liquor to minors pleaded guilty to unlawful sale, and was fined \$50 or 25 days in jail. The fine was paid. Christener pleads that he did not know the minor was under 21, and therefore demurred to the wilful part of the indictment.

Thos. Connell Sunday received word that Thos. Macauley, a relative of Mrs. Connell, was found dead in his bed, in Portland, Sunday morning. Mr. Macauley was a veteran of the Civil War, and for many years was sheriff of Dunn County, Wisconsin. The remains will be sent back to Wisconsin for burial. He was a member of the 16th Wisconsin, and had his baptism of fire at Shiloh, where, after the first day's battle, he placed the father of the Argus reporter on an ambulance. Mr. Long had been shot through the right knee, and after the hostilities Capt. Macauley went out with the hospital corps and picked Mr. Long up with others of his regiment. He was highly esteemed, and leaves many friends in the East. For several years he has lived out here, making frequent trips to the East. Flat cars are used for exhibiting the stock.
