The Oregon Electric will lay new ties on the Garden Home to Forest Grove branch, this Summer, and the Hillsboro mill is cutting on the contract. Leonard Tompkins secured a contract for over ten thousand of the ties and he has several mills working on the orders. It has been but six years since the Electric laid the timbers, and this appears rather quick for replacement. The road, however, will preserve the ties they will now lay, and put the track in shape for a fast schedule.
