## PORTLAND OFFICERS GET MRS. JOHNSON

Woman Had Been Passing as Wife of Prisoner Mills, at Jail

### CHILD IS A FACTOR IN THE CASE

Little Twelve Year Old Daughter of Woman Tells Wierd Story

Mrs. Frank Johnson, formerly of Forest Grove, later of Portland, and then a resident of California, was taken to Portland Monday evening in response to a call from the Multnomah County officials. Just what the charge is against the woman is not known, but it may be for contempt of the Juvenile Court, and it may be some other and more serious charge. Mrs. Johnson has a twelve year old daughter—a bright little creature—and the girl has been taken over by Dora Reed Barber, the Juvenile Court official at Forest Grove. Mrs. Johnson has posed as the wife of Prisoner Mills, in the county jail, and the officials say they have never been married. The child has been physically maltreated, and is in a horrible condition, and the little girl says the mother is responsible. A janitor, of Portland, is under arrest on the case, and other arrests may follow.

The woman in question has been making life a misery for the sheriff's office for several weeks, hanging about the place in order to talk with Mills. She is now in care of the matron at the Multnomah jail, and what will develop later is a matter of conjecture.

They stimulate and energize when life has run down, and clear up dull, muddled brains and bodies. When your thoughts come back, your muscles and nerves are weak, and you feel as if you were "losing your grip," Radio treatments renew your nerve force and bring you back to normal.

The joy of perfect digestion, perfect circulation, perfect health. Every nerve and every fibre of your whole body awakes through the wonderful Radio Therapy. Feel the exhilarating thrill of youth—make every muscle and function in your body feel teen and single with new Force and Energy. Trembling, nervous prostration and that tired feeling vanish after a treatment of Radio Therapy.

Every run-down, weakened, tired-out, nervous person is invited to call and try Radio Free. NONE ARE SO BLIND AS THEY WHO REFUSE TO SEE!

"Because one billion people in this world say that a thing is a lie, and but one person claims it is the truth, it does not follow that the billion are right."

Hundreds of years ago Galileo claimed that the world was round and revolved. A billion called him a madman. Near the middle of the last century Morse said that it would be possible to send messages over a wire by means of electricity. A billion called him a fraud. Bell, in our own time said that soon the sound of the human voice could be transmitted from New York to San Francisco, and Bell was branded a dreamer. Marconi's prediction that a lifeless miles of sea separating Japan from San Francisco without wires was hailed as the job of the century. The man who talked years ago of automobiles and cable roads and electric traction were called at.

Who was right and sane, the billion or the one man? Although the cataphoric treatment is being extensively used in Europe and throughout the world in the treatment of chronic, difficult and long standing cases, it has never before been introduced in the West. You can not afford to overlook this opportunity to get well.

VARIKOSE VEINS CURED permanently in a few days. Remember this liberal offer is for this trip only and not one cent will be charged for all the treatment required to make a permanent cure of all these consuming troubles, on the first visit. Office hours: 9 a. m. to 1:30 p. m. 12c
