LOWER TAXES

The last legislature spent over \$6,000,000 in appropriations. There are 800,000 population in Oregon, or \$7.50 for each man, woman and child. Sure, taxes are high! Washington County, only one of the 34, will have to spend \$18,000 next Spring for the Millage Law alone.

Isn't it about time to help the farmer and poor working man, instead of the railroads and the big corporations? If elected State Representative, I will vote No on these appropriations and will introduce a bill to repeal the Millage Law.

Yours respectfully, Earl E. Fisher, Low Tax Nominee for Representative.
