UNION STOCK YARDS

Receipts for the week have been cattle, 1256; calves, 31; hogs, 7994; sheep, 2158.

Cattle market continues steady in all lines with light receipts. Steers have not shown quite the quality that was shown the previous week, though some very good steers went at 7 45. Good quality cows going at 6. A specially good bunch of feeder steers sprung the market and sold at 6 75.

This week was a banner one in point of receipts, 8000 coming forward dispite the fact that there was no market Thursday. The market closed today steady to strong at 7 30.

Another light week in the sheep sheds, barely enough good killing sheep coming to supply the demand of killers. Market is strong.
