YOU ARE CORDIALLY INVITED

To Come to our "Open House" on New Year's Day, Two to Four o'clock in the afternoon. Each of our twenty-five bandmen will do his utmost to entertain you and make you feel at home.

This is not a monetary proposition in any sense. We wish to put Washington County on the music map, and we wish our people to come and see us and see what we are doing in music work. You are invited.
