Representatives W. G. Hare and Benton Bowman were down Sunday, taking a respite from their legislative labors. Benton is chairman of the Engrossing committee, and he has but four clerks under way, where last session twelve were used. Messrs. Hare, Bowman and Paisley all stood to keep down the number of clerks, but their votes were killed by captains of politics. They also voted to give the stenographic work to Mr. Runyon on contract, and had this been done there would have been a net saving of over \$7,000. This was also defeated by the "machine" That the Washington County delegation will be a unit in enforcing economy wherever possible goes without a saying. Mr. Hare says there is some discontent owing to the stand of Selling against the steam roller process. Washington County has the best representation on committees in the history of the commonwealth.
