LONG & MCKINNEY

Gov. Withycombe has made several pardons since he went into office—which goes to show that "Jim" has some heart. The pardoning power, well administered, is the salt of the world, anyway.

President Wilson is still keeping the war-dogs well leashed, and it is well for those yelling so loudly for conflict would not be on hand for enlistment.

Buxton is to be congratulated on the running of her sawmills. They spell prosperity every day, and mean happy homes.

JOHN GILTNER

John C. Giltner, aged 81 years, died at Forest Grove, Saturday, and the funeral was held Sunday in Forest View cemetery, under the auspices of J. B. Matthews Post, G. A. R., of this place. Mr. Giltner was a native of Pennsylvania and served in the Union army during the Civil War, having enlisted in the 15th Illinois Volunteer Infantry. After the war he went to Nebraska and in 1892 he came to Forest Grove. He is survived by five sons and two daughters—Glen Giltner, of Portland; H. T. J. R. Frank and Don Giltner, Mrs. Zoa Hartmpf and Mrs. A. C. Phillips, all of Forest Grove.

Mrs. J. H. Ellerson, of Beaverton, and her sister-in-law, Mrs. E. A. Hunt, of Oakland, Cal., were in town yesterday. Mrs. Hunt will leave in a few days for Hot Lake, for the benefit of her health.

The Boy Scout Show at the Gymnasium last Friday night attracted a good sized audience and won the praise of all there. The boys showed very good form in marching, wall scaling, pyramid building, first aid work and titling. A basket ball contest between two Grammar School (Girls) teams and the two Boy Scout teams was put over and won by the boys. The entertainment closed with a minstrel show about a camp fire in which many local people were target for some very good jokes. The entertainment was repeated Saturday evening to an audience of the younger ones.

Nearly \$20,000,000 was expended by the Oregon-Washington Railroad & Navigation Co. in the states of Washington, Oregon and Idaho during the year 1914, according to figures just compiled. The exact amount is \$19,735,803.73. The statement further shows that more than 13,000 names appear on the annual payroll and that between 65,000 and 75,000 persons are dependent on the operation of the Union Pacific system in the Northwest. For the year ending June 30, 1914, the O. W. R. & N. paid \$1,390,698.65 in taxes. In the three states \$5,042,425.71 was spent in the construction of new lines.

L. J. McPheeters is suffering from a nasty cut over the eye, sustained yesterday, while walking along the street in front of the Grand Theatre. He carried a ladder, broke the big globe, enclosing the electric light, and a piece cut Mr. badly. Instead of ducking when he heard the crash he looked up, and caught the fragment squarely over the optic.

Rev. W. N. Knox, of Golden-dale, Washington, will preach both morning and evening at the First Baptist Church in Hillsboro on Sunday, March 21, and intends holding meetings for a week. Everybody is cordially invited to attend these services.

Easter baskets galore, bunnies, eggs, chicks and everything that goes to make Easter pleasant for the children—at the Den of Sweets.

J. B. McNew, of below Aloha, was in town this morning. He has just recovered from an attack of the Grippe.

Your order filled on a moment's notice for ice cream brick.—Den of Sweets.

Mrs. N. R. Greer returned Monday from a few days' visit with her sister, Mrs. Frank Barrett, of Middleton.

Pete N. Vanderzanden, of Verboort, was transacting business in town yesterday.

CHAMBERLAIN BAIRD
 Duane Chamberlain and Miss Grace Baird, of Portland, were married, March 13, 1915, at the home of the bride's mother, 1041 E. 30th, Portland, Ore. C. F. Smith officiating. Miss Westah Baird was the bridesmaid, and Raymond Chamberlain officiated as groomsmen. Miss Emma Tupper, of Hillsboro, played the Lohengrin wedding march.

The bride is well known in this city, where she spent her girlhood. The groom is in the employ of the O. W. R. & N., and has a responsible position. A beautiful silver dining service was the testimonial of the employees of the company. Mr. and Mrs. Chamberlain will reside in Portland.

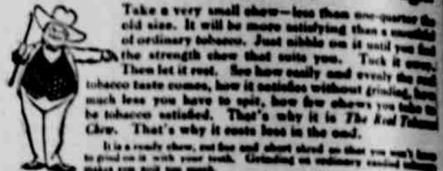

Those attending the wedding from Hillsboro were Mr. and Mrs. Wm. Tupper, Willard Tupper, Mr. and Mrs. Jas. Mittenberger, Mrs. D. E. Blackburn and Miss Emma Tupper.

GO right to your dealer and get a pouch of "Right-Cut"—the Real Tobacco Chew.

It will give you better satisfaction than the old kind and last you longer and taste better.

It's a new blend of mellow, sappy leaf—seasoned and sweetened just enough.

Take a very small chew—less than one-quarter the old size. It will be more satisfying than a mouthful of ordinary tobacco. Just nibble on it until you feel the strength chew that suits you. Tuck it away. Then let it rest. See how easily and evenly the real tobacco taste comes, how it settles without drawing, how much less you have to spit, how few chews you take to be tobacco satisfied. That's why it is The Real Tobacco Chew. That's why it costs less in the end.

It is a ready chew, not too hot and short lived so that you won't have to grind on it with your teeth. Getting on ordinary tobacco makes you feel too much.

One small chew takes the place of two big chews of the old kind.

The New Studebaker Automobiles

Manufactured Cars on Which You Pay Only One Profit

The Studebaker dealer in your nearest town now has on hand samples of the new Studebaker cars—FOUR and SIX. Go to him. See the cars. Inspect them point by point, and your knowledge of automobile construction will impress upon you the splendid safety, strength, stability and comfort of these cars, their fine finish, their generous room, and their complete and liberal equipment.

Through scientific, up-to-date designing and motor refinements, these cars have power in excess of all requirements. Remember, while you are making your inspection or taking your demonstration ride, that these cars are manufactured entirely—except tires, electrical equipment and a few minor items—by Studebaker, in Studebaker plants, and that no plant in the world is better equipped.

Remember also that their prices represent only one profit—the profit of the legitimate manufacturer who has eliminated the parts middleman from his business.

A motor car, to the farmer, is an economic necessity, not a luxury, as to the city man. It saves his money; it saves his time; it helps him to get higher efficiency out of himself, his men and his land. And it saves out of his family forever the isolation and loneliness that are the dread of many farmers' wives, and that drive the boys and girls into the cities and towns early in life.

Just as the motor car is a good investment, so the Studebaker stands first in value among motor cars and we will tell you why. For 65 years Studebaker has studied the farmers' needs, as a specialist in farm transportation, and the best way to supply them.

How well we have succeeded you can judge when you know that more than 40 per cent. of Studebaker cars are sold annually to farmers.

On Studebaker cars you pay only one profit, as we have said, and the money we save by our complete and thorough manufacturing and huge production goes into the cars themselves to make them better.

To make them last longer; to make them lighter yet stronger; to make them run better on a gallon of gasoline and oil and on a set of tires.

Send for the Studebaker Proof Book which tells all about Studebaker manufacturing processes and illustrates them.
