NOTICE TO PATRONS

We have decided to dissolve partnership, and therefore it becomes necessary to meet our old customers who have so long and continuously visited our store and given us their trade. The years which have passed in trade here have developed ties of friendship that are very strong, and now that a change in the firm has become necessary we feel that we are leaving the family circle, but the cold demands of business compel us to close our accounts, and therefore we must ask all owing us to come in and make an early settlement. In closing we will be obliged to place all unsettled accounts for collection, and this we wish to avoid by your voluntary and friendly settlement.

Those holding trade checks will bring them in before or on the 15th of May, 1915, as they will be of no value after that date.

Our Business

Will be conducted along the same broad lines in the future as it has been in the past, granting time credit to those that are entitled to it.

Everyone in business needs CASH and we are no exception, yet we refuse to prescribe for the patient anything that we would not willingly take ourselves. All business cannot be done for CASH as there is about fifty times as much business done as there is cash in circulation. Don't fool yourself about the great saving you make by buying for cash, so far as the grocery business is concerned where the saving is very great in price you will find the loss will be greater in quality. If the convenience of having a charge account, prompt, courteous and honest service has any value you get it very cheap if you buy of us. We will sell you
