Of the entire list 97 were work-

This naturally means a great  
deal of assistance to those work-

### Late Testimonial: To whom it may concern:

I beg to advise that I have taken Chiropractic  
treatments from the best operators in Por-land, Tacoma,  
and Seattle, but I have yet to meet a Chiropractor who  
gives as satisfactory adjustments as Dr. McMahon,  
although one and all did not fail to charge higher rates  
for much less proficient and specific work.

Dr. McMahon's skill has prevented the necessity  
of a surgical operation in my case.
