REPORT OF 4TH COMMITTEE

From the Fourth of July Committee of the Hillsboro Commercial Club:

The general committee having in charge the arrangements for the celebration of Independence Day wish to express their thanks and appreciation of the hearty and generous support which they have received from the business men and citizens of Hillsboro, who have, with few exceptions, contributed readily to meet the financial problems which have confronted the committee.

When the matter of arranging for a series of areoplane flights, covering the three days, in addition to an otherwise extensive program, was considered, it was found that the committee would have to raise nearly a thousand dollars to meet all expenses. There were those who said "Times too hard" - "It can't be did."

That it has been done, and in a manner generally satisfactory, we believe is now a matter of history.

It is the unanimous sentiment of this committee that our thanks be publicly expressed to the following business men and citizens for the financial assistance rendered. The total of these contributions will be included in the final financial report of the committee.

Respectfully,
 G. C. Combs, Chairman,
