RAINS HAVE HELPED CROPS

It seems to be the opinion of most of the farmers of Washington County, that more good has come from the recent rains than harm. Many tons of hay, that had been cut, received a good soaking, but in nearly every case the farmer was successful in saving the most of it.

The rains have done an unestimable amount of good, to potatoes, kale and spring grain. Without these showers crops would not be nearly so good. So after all, notwithstanding the harm done, nature has seen to it, that the farmer shall be compensated, with better crops, for the loss suffered.

HIGHLY SUCCESSFUL—SIXTH YEAR

Now with Dr. F. R. Sizer, D. C. offices in Donelson Bldg., Hillsboro. Portland office 121 4th St.

Late Testimonial: To whom it may concern: I beg to advise that I have taken Chiropractic treatments from the best operators in Portland, Tacoma, and Seattle, but I have yet to meet a Chiropractor who gives as satisfactory adjustments as Dr. McMahon, although one and all did not fail to charge higher rates for much less proficient and specific work.

Dr. McMahon's skill has prevented the necessity of a surgical operation in my case.
