Henry Saffran, a highly re-
spected citizen of Tualatin, who
was in his 80th year, died at his
home, July 30. Deceased was
born in East Russia in 1833, and
came to America in 1872. He
came to Tualatin in 1889. A son
Henry Jr. of Tualatin, and two
daughters, Mrs. J. D. Wirth, of
Medical Springs, and Miss Bertie,
of Tualatin, survive him.

Meacham's Grove, on East
Dairy, above Mountindale, was
Sunday the scene of a more than
successful outing by about 150
K. of P. Pythian Sisters and
their families. The drive to the
shades of this popular resort was
made by auto and teams, and
many of the fraternities from
Mountindale and North Plains
joined with the visitors. It was
an all-day affair, and a jolly time
was the result. The return was
made late in the evening and the
annual affair was voted a big
success. W. G. Hare and E. J.
McAlear and families are camp-
ing on the grounds, and acted as
hosts for the big crowd of Pyth-
ians and auxiliary.

C. Rehse brings a new one
back from California. He says
that in the Sacramento Valley
there are four or five brothers in
the sheep business who are try-
ing a new wrinkle in production,
and are making good at their
venture. They raise sheep, and
the new departure is to milk
them. The milk is converted
into cheese, and the product is
said to equal the goat article.
They milk several hundred ewes,
and make about 150 pounds of
the cheese daily. The brothers
kill their lambs and market them
when they are old enough for
the block and then start the
mothers dairying. The venture
is said to have caused many
sheepmen to become interested,
and the industry promises to be-
come universal in the South.

HIGHLY SUCCESSFUL—SIXTH YEAR

Now with Dr. F. R. Sizer, D. C. offices in Donelson

Late Testimonial: To whom it may concern:
I beg to advise that I have taken Chiropractic
treatments from the best operators in Portland, Tacoma,
and Seattle, but I have yet to meet a Chiropractor who
gives as satisfactory adjustments as Dr. McMahon,
although one and all did not fail to charge higher rates
for much less proficient and specific work.
Dr. McMahon's skill has prevented the necessity
of a surgical operation in my case.
