BARNES' BIG CIRCUS COMING TO HILLSBORO

One of the Best Trained Animal Shows on Circuit

WILL BE IN THIS CITY AUGUST 29

Gave Splendid Satisfaction Last Visit—
Much Better Now

The Al. G. Barnes Big 3-Ring Wild Animal Circus will exhibit in Hillsboro, Friday, August 29, giving performances at 2 and 8 o'clock P. M.

Much can be claimed for the originality and genuine merit of this big circus. There is all the pomp and splendor of the circuses we have known in the past. All the glittering tinsel, sawdust rings, inspiring music and grand entrance of stately horses, ponies, elephants, performers and clowns. Peanut and pink lemonade vendors cry their wares and add to the general good spirit; yet, when the performance starts, one instantly recognizes a wide departure from the conventional, stereotyped routine which has prevailed since the earliest days of tented entertainment.

Instead of the usual, one sees the very unusual in the Barnes program. The principal acts are done by educated wild and domestic animals in two rings and a big steel-barred arena. These animal acts number 600, and are trained to an amazing degree of proficiency. Such vim and dash do they put into their work that not a dull moment is experienced from the grand cavalcade entry until the final group of man-eating lions are driven to their cages.

There are acrobats, jugglers, aerial performers, high-divers, bare-back riders and all other forms of circus entertainment, but instead of people appearing in the acts, wild and domestic animals take their places. Lions, leopards, pumas and bears ride galloping horses; sea lions juggle balls and other articles; dogs and monkeys jump from the top of the tent into nets; elephants act as clowns and do many other comical things; high school horses and beautiful ponies appear in brilliant dances and military drills, in fact almost every species of animal is shown as an actor.

Twenty-four, man-eating African lions are introduced in one act, the most sensational wild animal act ever shown. Sixty tigers, leopards, pumas, jaguars and bears are presented by a coterie of young women trainers.

A great array of clean, clever comedy permeates the entire program, provided by fifty comedy elephants, dogs, pigs, goats, monkeys, ponies, zebras and kangaroos. Dynamite, mules and a glittering, mile-long street parade in which six bands take part is presented to the public at 10:30 a. m.

Mr. and Mrs. D. B. Cooley and family came in from Laurel, the last of the week.

Two autos, driven by C. E. and Raleigh Runyon, departed out of Hillsboro, Friday, carrying with them Judge Geo. R. Bagley and District Attorney E. B. Tongue, Hillsboro, and Walter Dimick, of Oregon City. They made Eugene the first night, and the McKenzie, by Saturday evening. Reaching the McKenzie Bridge they went 20 miles into the interior by pack train. They will be on the grounds where the deer roam and the fish bite by the 15th, and the camp will be supplied with all kinds of game. The Judge will watch the District Attorney and that official will watch the Judge, to see there is no violation of the game laws. The two Runyons will make up the jury, while Dimick is to be the presiding court.

"You can wager that I'm glad to get home," said C. C. Frick, Saturday. He rolled in Friday evening, after an absence of nearly a month, visiting Los Angeles, San Diego, Mt. Lowe, Ocean Park, the Catalina Islands, San Francisco and Oakland. He took in both of the California Fairs, and was at the Elks' Convention a week, at Los Angeles. He then dropped down to see the other convention of antlers—the Moose—at San Diego, and incidentally paid his respects to Villa, across the Mexican line. C. C. says he did not accept any invitation to dine with the Mexican revolutionists, however, believing in "safety first."

DR. E. H. SMITH ASKS \$1500 FROM COUNTY

Puts in Claim for Wreck of Automobile Near Centerville, July 29

SAYS THE CULVERT WAS DEFECTIVE

Court Takes Claim Under Adversement, and Will Decide Later

Dr. Elmer H. Smith last week filed a claim for \$1500 for damages to his big National automobile, sustained July 29, while driving on a professional call between Cornelius and Centerville. Dr. Smith alleges in his presentation that the stringers were not of sufficient strength to hold the plank, and that the weakness of the culvert was not manifest to the traveler, owing to the dust on the plank. He alleges he was traveling at the rate of fifteen miles per hour, and that when his machine struck the structure the planking slid from off the stringers, which broke, ditching his machine, causing a damage which practically ruined the big car. The court took the matter of the claim under advisement.

CUPID ENDS LONG SIEGE OF HEARTS

After Three Years of Peace Negotiations Protocol is Signed

DIFFERENCES ARGUED 1000 DAYS

Walter Miller and Lena Neiger Married at Vancouver

Walter Miller and Lena Neiger, of near Beaverton, were married at Vancouver, Wash., August 7, 1915, after nearly three years of possession of a marriage license, issued by the auditor of Portland's Gretna Green. Young Miller was 22 years old when he procured the paper, December 10, 1912, and the couple were to have been married Christmas day. Some difference arose between the two contracting parties, and a state of belligerency continued until last Saturday, when they signed a protocol and went to Vancouver to see if the license still held good. They visited the court house and found that the initial instrument was all to the good, and they then repaired to Judge W. S. T. Derr, a justice of the peace, and the two empires became one. Mr. and Mrs. Miller are Swiss, and their parents came from the same canton in the land of William Tell.

If the allies and the entente can get together, or get into communication with the happy pair they may learn how to adjust their differences—but if it takes three years it is doubtful if they will have enough to sign up the peace papers.

The groom is a farmer near Beaverton, and is noted for his industry. The bride is 23 and the groom 25.

Order your hopyard supplies early. Hop stoves, galvanized bro baskets, hop pipe, etc., at L. Brown's, Main and Fourth Sts. Get his prices. 15t
