Earl Coffelt was brought to the county jail early Tuesday morning and a charge of insanity may be lodged against him. Coffelt came over here from Anacortes a few days ago and secured a position firing a threshing engine with the Lee outfit, above Dilley, Monday afternoon he had an attack of epilepsy and fell against the fire box of the engine, badly burning one of his arms. He was then taken to the Forest Grove hospital, where he became violent. Dr. Hawke took charge and gave him a quieting injection and then brought him to the county jail. Dr. Hyde has been treating him, but thinks there is no chance to cure him. Besides the epilepsy his mind is afflicted with an aberration. Coffelt was taken to the Good Samaritan Hospital, Portland, yesterday afternoon, his mental deficiency being not of sufficient calibre to warrant sending him to the asylum at this time.

Go to the Hillsboro Music Store or Hoffman's Jewelry Store and see the new song, "I Know a Yankee Man." This song catches the patriotic spirit that is abroad in the land, and has stirring words and music, with a cover design in colors that is a real work of art. Hugh Walter Sparks and Perry Burton Arant, both well known to Washington county people, are the composers. Those living out of town will receive a copy postpaid by sending 25 cents to the publisher, Edwin S. Sparks, Forest Grove, Oregon.

Just as a large petition was being signed to sent to the Governor for the parole of Willie Days, sent up from Multnomah, and then given probation, the lad was missing from the State Industrial School yesterday morning. Young Day, while out on probation last Spring, joined with several lads in the burglary of the Hillsboro Mercantile, and instead of prosecuting he was turned back to the school as having violated the essentials of his liberty. He ran away a few weeks ago, and was caught. The petition was numerous signed, and the hopes of Days' mother were high for release, when the youngster became tired of waiting, and again decamped. The petition will now be of little value.

When they depart from Hillsboro it is expected that the fire bell will ring out an adieu so there will be a big crowd to see the jousters start on their Don Quixote expedition. Judge W. D. will be at the wheel, and while he is absent the blind goddess will be retired to a closet to meditate on the wrongs of established society.

The Ladies' Aid Society of Kinton will give an ice cream social at the Kinton school house, Saturday evening, August 14. Special music by the Kinton orchestra. Everybody invited.

Watch to See if Quarry Has Horns or is "Muley"

THREE BUCKS IS THE SEASON LIMIT

Hunters From Hillsboro and Forest Grove and Other Points Ready

Beginning Sunday morning the guns will crack as a salute to the opening of the deer season in Oregon, and Washington County "gun men" are all ready for the foray to the hills. Billy Nelson and Dr. Wood are eager as school boys to get into the hills and Mrs. Nelson is of the opinion that Wm's sight will be rather poor owing to loss of sleep, laying awake thinking of the big buck he is going to kill about Monday or Tuesday. Dr. Wood has been busy all week oiling up his gun and having his eyes tested to see whether he can see a pair of prongs at shooting distance.

Ed. Wann, who is over in the Wheeler-filamook country sends a wireless that he is to be on the job at sunup Sunday morning. Chas. Follett, who always gets his buck when the time opens, is loading his Ford with supplies to make a salient Saturday and get his camp established. Mayor Harrett is expected home the last of the week, and it is said that he, too, in honor of his boyhood up on old Dairy, will go out at least one day and make a try for some venison.

Ben Simpson, Via Jack and Wm. Gifford expect to make kills, as well.

Hardware men report good sales of hunting knives—but whether or not they are for skinning bucks or for whittling horns deponent sayeth not—and it looks like Mr. Buck Deer "will have to lay low or lose his antlers."

DUAL TRAGEDY VISITS A WHITESON FAMILY

Brother of Mrs. G. G. Hancock Killed by Bull August 3

WIFE OF HER HALF-BROTHER LATER Woman Banned by Explosion of Gasoline in Five Gallon Can

A dual tragedy visited the Philips family, near Whiteson, within a week. On August 3, Fred Philips, a brother of Mrs. Geo. G. Hancock, of Forest Grove, was gored to death by a bull at the Houck ranch. On August 10, a half-brother's home was visited by a tragedy which resulted in death and injuries to two. Homer Philips's home was the scene of a gasoline explosion which resulted in one death and the possible fatal burning of the husband and little daughter. Mrs. Philips was so badly burned she died shortly after reaching the McMinnville hospital where she was taken for medical attention. The husband was terribly burned, as well as the little daughter. The farm home was destroyed. The father is not expected to live and announcement of death is expected at any minute. The child was not so seriously burned and hopes are entertained that she will recover.

Mrs. Hancock left Wednesday for Amity to attend the funeral of her sister-in-law, and to minister the brother.

The mother of the two boys is critically ill from the shock.

Cicero Hines, one of the Gales Creek pioneers, was in town this morning.

Mr. and Mrs. J. A. Lemmon, of Cornelius, are leaving this week for The Dalles, from which point they will look for a location.

Mrs. Andrew Jack and Mrs. L. A. Road, of Hillsboro, and Mrs. Josiah Millar, of Reedville, were entertained at the home of Mrs. Joseph Jack, of near Farmington, Tuesday.

Frank Doohar is suffering from a bruised instep, caused by a falling timber, while working with the S. P. bridge gang, near Roy, yesterday. Dr. Erwin attended the injury.

Jos. Loring came in from Centerville, yesterday, to get supplies for the crew of four working on the big bridge. He says the structure will be open for travel by the last of the week, he thinks.

Your Celro-Cola tickets are good at our fountain. Our new ice shaver, coupled with years of experience in dispensing drink, assures you that your Celro-Cola or any other drink will be as you like it.—Miltenberger's Den of Sweets, ten years in Hillsboro.

Mogens Jeppeson, of Bacona, has entered suit for \$26,367 damages, the defendant being Dr. E. H. Smith. Jeppeson alleges that in 1914 he was injured at Bacona and was treated for an injury of the knee. When he arrived at Hillsboro he says he was taken to Dr. Smith's hospital, which, he says, at that particular time, was being managed by Dr. Sears, during Smith's absence from the county. Jeppeson alleges that a nurse put an electric appliance on his foot, and then neglected to watch it, with the result that his foot was so badly burned that two amputations followed. Dr. Smith will fight the case, and the Tongues will defend. The Dr. says that he was not at the hospital at the time and had nothing to do with the case until his return. Dr. Smith said to the Argus that Dr. Sears was in no way representing his business, and that the nurse was not working for him at the time, he being out of the state on his vacation.

Glasses, once the sign of old age, are now the sign of good sense. In the days of the old-style double vision glasses, older people hesitated about wearing them, because of the ugly conspicuous lines. Call at the Washington Hotel, Tuesday, August 17, (one day only), and let Drs. Lowe and Turner show you the new invisible bifocal or double-vision glasses, which enable you to see both far and near. They look like a single pair, yet serve the purpose of two. They make you feel young, yet do not make you look old. Nobody knows the convenience of these double vision glasses until they have worn them. Come in and let us talk it over with you. One charge covers the entire cost of examination, the frames and glasses, and all glasses guaranteed to give entire satisfaction whether they cost \$2.00 or more. Scores of references. At Hotel Washington, Tuesday, Aug. 17, Forest Grove, Wednesday, Aug. 18th.

Deputy Sheriff Applegate and the Argus news-gatherer are doing the Deimonica salient these days and the new dishes they are turning out would make old Epicurus turn over in his grave with envy. Applegate swears that they have the man who invented gout backed off the board. W. R. Frenzler is an occasional boarder at the same festal board. As a sample of a light meal for the trio—18 big boiled potatoes with the "jackets on; 12 big roasting ears, half-gallon sauer-kraut; 22 life-size "weenies," one double loaf bread one pot coffee; quart and half milk; two quarts Sain Creek water, cake and Swiss Kuchen." All three were able to eat breakfast the next morning.

Thos. Rood yesterday brought to the Argus office some fine peaches from the Mrs. L. A. Rood home, on First Street. When the old Valley does turn out peaches they are always par excellence, and these are no exceptions to the rule. Were it not for April frosts and cold Spring rains no better peaches could be raised than in the Wilamette Valley. The cluster, which was a foot in diameter, had 24 peaches.

John Davidson, of Forest Grove, was Tuesday sent to the State Training School by Judge Reamoner, sitting as Juvenile Court. Earl Johnson, son of Forest Grove people, was sent home to his parents, but must report monthly to Juvenile Officer Dora Barber. The two boys were mixed in some petty larceny affair at the Grove, involving housebreaking as well.

The Pythians will at once have the front of their castle hall newly painted, the walls of the hallway and lodge room renovated with kalsomine, and the building named and dated so that visitors will know to whom the structure belongs. Hal Taylor has the work under contract. While doing this work Taylor will also renovate the Anderson barber shop, on the lower floor.

Perhaps it is, in some cases, a little farther around our way, but the satisfaction of getting your favorite dish or drink served promptly and just the way you like it, will more than compensate you for the extra effort. Remember the place, Miltenberger's Den of Sweets, ten years in Hillsboro.

Jake and John Milne, of near North Plains, were in the city yesterday. The boys report good crops out that way. One of the Milne fields of 48 acres went 42 bushels of wheat, and the minimum yield was 27.

Mildred Powell, daughter of J. A. Powell and wife, sustained a green-stick fracture of the right forearm, this week, while playing on a merry-go-round. Dr. Hyde reduced the fracture.

Miss Maude Tucker, of Clarks-ton, Wn., arrived last night from a trip to San Diego and San Francisco, and joined her mother, Mrs. Sylvia Tucker, who is attending buyers' week in Portland.

Harry Cline, of Laurel, was a city caller yesterday morning.
