Cornelius, Ore., Route 1

L. M. and W. G. Heese, of  
Scholls, were in town Saturday.

A. Rogers, who has been at  
Enright for a while, returned  
the last of the week.

This is the time to use Fly  
Spray, 90 cents per gallon, at the  
Delta Drug Store.

Hiram Beers, of near Corneli-  
us, was a county seat visitor  
Saturday.

The Kodak season is now on.  
Go to the Pharmacy for your  
supplies.

Jake Raffety, of above Moun-  
taindale, was in town Saturday.  
He says that the deer crop above  
him is rather slim, as the under-  
growth has grown to immense  
proportions and it is hard to get  
at the venisons.

J. J. Kuratli, of Phillips, re-  
turned Friday from a trip to  
Lincoln County, where he re-  
galed himself on venison. While  
over there Mr. Kuratli was on  
the trail of a big Bruin, but a  
day's hunt failed to locate him.

The fourteen-year-old son of  
Peter Gotlieb, of North Hillsbo-  
ro, sustained a severely wrenched  
ankle, the other evening, oc-  
casioned by a fall, his horse  
slipping on the paved streets in  
town. Dr. Erwin attended the  
injury.

Mr. and Mrs. H. T. Blair, of  
Ryan Place, passed through town  
Monday, enroute to Barview, for  
a two weeks vacation. They  
were joined at Hillsboro by Mrs.  
Ruth Blair, and Mrs. Applegate  
Sr., the latter of whom returned  
in a day or so.

L. G. Wiedewitsch, of Corneli-  
us, has opened a machine shop  
and auto garage at that point.  
Steam vulcanizing, auto tubes  
and casings, high grade rabbit  
metal and all kinds of supplies  
always in stock. Give him a  
call.—L. G. Wiedewitsch, Corneli-  
us, Phone, City 105. 19-28

John D. Koch, of above Bloom-  
ing, was in town Saturday. John  
raised Spring-sown oats, on the  
hills, this year, that went 86  
bushels to the acre, while Toni  
Sinay, his neighbor, produced  
several acres that went 96  
bushels per. This is some yield  
for Spring oats, raised on the  
hills, at a goodly elevation.

J. H. Foote, of the Tualatin,  
returned Friday evening from a  
trip to San Francisco, Los Ange-  
les and San Diego, and reports a  
fine time. He visited all the  
fairs, including one at Tia Juan-  
na, in old Mexico, where he saw  
a bull fight: Tourist travel to  
California is big, and the streets  
are thronged with visitors. The  
trip between here and Frisco was  
made on the Great Northern  
boats.

Fire from the thresher engine  
Friday afternoon, about four  
o'clock, destroyed nearly all the  
stacked grain belonging to Jacob  
Jacky, of near North Plains.  
The threshing crew had just  
started work, and but a load or  
so of grain had been put in the  
sacks. Aside from this nothing  
of the setting was saved except  
one load of bundles, which were  
carted away before the flames  
caught them. The threshing  
machine, belonging to Albert  
Bonney, was a total loss. Neith-  
er Mr. Jacky nor Mr. Bonney  
had any insurance.

### WENSTROM LOSES MILL

E. Wenstrom was in from near  
Scholls, Saturday, and reports  
that his sawmill burned up early  
Saturday morning, the blaze  
probably catching from the en-  
gine room. The planer was  
saved with but little damage,  
but the balance of the mill, with  
the machinery is a total loss.  
Help arrived at once and about  
\$750 worth of lumber was saved.  
There was no insurance. Mr.  
Wenstrom has had a busy Sum-  
mer's run, and the loss is a mat-  
ter of considerable annoyance.  
He has a new boiler, and will re-  
build at once, as he considers  
the future for the business more  
than bright. Mr. Wenstrom  
takes his loss philosophically,  
and says it is up to him to  
buckle on his armor and go at it  
with renewed effort.

HIGHLY SUCCESSFUL—SIXTH YEAR

Now with Dr. F. R. Sizer, D. C. offices in Donelson  
Bldg., Hillsboro. Portland office 121 4th St.

Late Testimonial: To whom it may concern:

I beg to advise that I have taken Chiropractic  
treatments from the best operators in Portland, Tacoma,  
and Seattle, but I have yet to meet a Chiropractor who  
gives as satisfactory adjustments as Dr. McMahon,  
although one and all did not fail to charge higher rates  
for much less proficient and specific work.

Dr. McMahon's skill has prevented the necessity  
of a surgical operation in my case.

### THE JOCKEY GIVES AND GETS A TIP

BET YOUR MONEY ON  
PURITY, SHE IS A  
SURE THING.

PURITY, SHE WAS  
NAMED AFTER THE  
REAL TOBACCO CHEW

JUST a nibble will satisfy  
you—because it is the Real  
Tobacco Chew.

By the time you've used up a pouch  
you'll be telling your friends about it  
same as the thousands are doing every  
day.

A little chew of pure, rich, mellow tobacco—seasoned  
and sweetened just enough—cuts out so much of the  
grinding and spitting.

THE REAL TOBACCO CHEW IS NOW CUT TWO WAYS!!  
W-B CUT IS LONG SHRED. RIGHT-CUT IS SHORT SHRED!

Take less than one-quarter the old size chew. It  
will be more satisfying than a mouthful of ordinary  
tobacco. Just take a nibble of it until you find the  
strength chew that suits you, then see how easily and  
evenly the real tobacco taste comes, how it satisfies,  
how much less you have to spit, how few chews you  
take to be tobacco satisfied. That's why it is The  
Real Tobacco Chew. That's why it costs less in the end.  
The taste of pure, rich tobacco does not need to be covered up. An  
excess of licorice and sweetening makes you spit too much.

One small chew takes the place of two big  
chews of the old kind.

Notice how the salt brings  
out the rich tobacco taste!!
