Many a straw stalk was burned on the plains, Friday evening, when the rains broke, and the sky was one lurid glare from the Portland mountain to Gales Creek. What with the display of lightning and the red glare from the burning strawpiles, the sky presented a spectacle like the last days of Pompeii.

F. C. Orth, with the Pacific Coast condensers as field man, was in town Monday, on his road to recovery from a partially dislocated hip. F. C. was limping around for several days before he knew what his trouble was. He says that the milk flow will now increase, the rains having replenished the pastures. CHIROPRACTIC

Dr. M. H. McMAHON

Chiropractor
of Portland, Ore.

HIGHLY SUCCESSFUL—SIXTH YEAR
Now with Dr. F. R. Sizer, D. C. offices in Donelson Bldg., Hillsboro. Portland office 121 4th St.

Late Testimonial: To whom it may concern:

I beg to advise that I have taken Chiropractic treatments from the best operators in Portland, Tacoma, and Seattle, but I have yet to meet a Chiropractor who gives as satisfactory adjustments as Dr. McMahon, although one and all did not fail to charge higher rates for much less proficient and specific work.

Dr. McMahon's skill has prevented the necessity of a surgical operation in my case.

SAYS the man, who's learned how good rich tobacco really is:

"Tie your bull on the outside and come on in where the good tobacco is. You've been wasting your opportunity with unnecessary grinding and spitting; rest your jaws and content your soul with a little nibble of the Real Tobacco Chew."

A little chew of pure, rich, mellow tobacco—seasoned and sweetened just enough—cuts out so much of the grinding and spitting.

ASK YOUR DEALER FOR W-B CUT CHEWING TOBACCO. IT IS THE NEW REAL TOBACCO CHEW-CUT LONG SHIRTS.

Take less than one-quarter the old size chew. It will be more satisfying than a mouthful of ordinary tobacco. Just take a nibble of it until you find the strength chew that suits you, then see how easily and evenly the real tobacco tests comes, how it satisfies, and how it is the Real Tobacco Chew. That's why it costs less in the end.

The taste of pure, rich tobacco does not need to be covered up. An excess of nicotine and sweetening makes you spit too much.

One small chew takes the place of two big chews of the old kind.

Get the new chew that brings you the rich tobacco taste.
