A Portland attorney recently  
sent a deed to Recorder Davis,  
the conveyance calling for 36  
acres and a fraction. A consider-  
able time after the deed had  
been recorded and returned, the  
attorney sent Davis the deed,  
saying an error had been made  
in recording, and that the acre-  
age was 38 acres, instead of 36  
acres. The recorder looked it up  
and found that the abstractors  
had it 36, that the fee book and  
index showed 36, and he then  
put a glass on the deed. The  
erasure was noted plainly under  
the microscope, and whether it  
was done to cover an error in the  
original passing of title, or to  
correct, after recording, is not  
known. In any case if the orig-  
inal intendment was for 38 acres  
it will require a new deed.

This is something that has long  
been needed in Hillsboro, which  
is the center of a big dairy dis-

Joseph Mann passed away Tues-

home in South Hillsboro, aged 82  
years, 6 months and 18 days.

Mr. Mann was a pioneer citizen  
of Washington County, being  
the last survivor of the South  
Tualatin section who settled up-  
on a homestead. He was born in  
Berne, N. Y., July 22, 1833, and  
came to California in 1853, to  
the gold mines. In 1858, he  
came to Portland, where he married  
Phoebe Jane Pearson, in 1861, and  
who survives him.

Of the six children born to  
them five are yet living, viz.  
Grant, of Cornelius; Joseph G.  
of Portland; Luis J. of Multnomah  
Ore.; Thos. R. of Spokane, Wn.,  
and Grace, at home. He leaves  
15 grandchildren and one great  
grandchild.

citizen, in every respect. He  
was a member of the Methodist  
church since early life. He was

17, in Portland, Feb. 1, 1888, and  
transferred his membership to
