

# THE HILLSBORO ARGUS

HILLSBORO, OREGON, FEBRUARY 17, 1916

NO. 48

## TEEN ASK FOR CITIZENS PAPERS

For Examination by Circuit Court is March 15

## IS BORN IN SOUTH AFRICA

School Asks For Permission to Wear Court's Instructions

There are eighteen applications for citizenship which will be heard on March 15, and it will be a busy day for Judge Bagley. The eighteen applicants all from every European country except one or more but Germany is in the lead with a big percentage.

South Africa has one who was born down in the realm South of the Transvaal, while Italy comes in with one.

The High School students have been given permission to attend and hear the questions proposed and the answers given, as well as the charges of the court in elucidating what constitutes American citizenship.

Since the new Federal law went into effect requiring that a man must have his final papers before voting many who have done heretofore on second papers only, and have neglected to file final papers, have filed for citizenship, and this makes considerable business in the citizenship department.

It is expected that many High School students both from Hillsboro, Forest Grove, and Corvallis will be in attendance to see how this function of the court is carried on. It will be an education to them, and will be worth the time involved.
