

# GEORGE S. CAMPBELL DIES AT OLD HOME

Pioneer of 1852 Passed Away Last  
Week, After Extended Illness

MADE ONE PLACE HOME 64 YEARS

Was a Veteran Odd Fellow and a Man  
of High Standing in County

George S. Campbell, pioneer of 1852, died at his home near Laurel, Feb. 16, 1916, after an illness covering several months. He was the son of John Campbell and wife, and he was born in Pike County, Illinois, Feb. 25, 1840. At the age of 12 years he crossed the plains with his parents, settling in Oregon, after arriving late in the Fall. His father took up a donation land claim between Farmington and Laurel, and from that date all, or a part of the old claim, was the late Mr. Campbell's home. In 1880 he was united in marriage to Amelia Jack, a daughter of the late John Jack, pioneer, the widow and two daughters, Mrs. J. B. Adams and Mrs. J. W. Mulloy, surviving.

Mr. Campbell joined the Christian Church at Farmington at the age of 25 years. He joined the Odd Fellows Lodge in Hillsboro in 1874, and always maintained his membership.

He was a brother of the late J. A. Campbell, the well known Christian minister and Evangelist, and also of the late David Campbell, Hillsboro, and the late Wm. Campbell, Pendleton. The funeral took place last Friday, the services being held at the family home. Interment was in the Odd Fellows Cemetery, at Hillsboro, and the services were under the auspices of the I. O. O. F. George Campbell was the soul of honesty, and he was held in the highest esteem by a large circle of friends. His word was as good as his bond and it has been truthfully remarked that he was one of the "just" men of his community. His death is a loss to the county.

Cooper, former Oregon boy, now famous as an artist. The design will soon hang in transportation offices all over the United States.

### SCHOOL NEWS

Two schools have become standard since our last report. The Arcade school, District No. 59, Miss Vera Meek, teacher; the Spring Hill school, No. 64, A. E. Murrow, teacher, was found to be standard at the time of our first visit.

Mr. Stretcher has organized in the Bethany school a milk and cream testing association. The pupils are very much interested and are finding out some valuable facts. The officers of the association are Ernest Stoffer, Pres.; John Liesman, Treas., and Erwin Lechner, Sec.

The West Dairy Commercial Club will hold another local fair this year at the Kansas City school house. The schools participating will be Kansas City, Hillside, Wilson, Fair View. This section of the county staged a local fair last year which was claimed by the judges to be one of the best in the state.

The school rallies, which were being organized for the last week in March, have been called off. We were unable to get instructors for these dates.—Cor.

Vetch seed and clover seed, any quantity, at Buchanan & Co. 48-9

Mrs. J. H. Foote, who has been visiting with relatives at Amsterdam, New York, returned home this week. 48-51

John Haulenback, of North Plains, found a half pint of nitroglycerine, a lot of caps and several feet of fuse, under a pile of cedar posts in the lumber yard, Tuesday. He at once notified Sheriff Reeves, and brought the explosives into the county seat. The package was wrapped in an Oregonian of October 14, and a Journal of Nov. 15, the latter date being a few days prior to the robbery of Mays Bros. Store. That the "soup" and fuse and caps were taken there by the celebrated Jack Castor, the safe cracker, now doing time at Salem, is almost conclusive, and that when he did not find what he wanted in the way of a safe to crack, robbery was resorted to so as to make the trip pay. More than likely the party forgot the cache in the hurry to getting away with the clothing and other articles stolen from the store, for the stuff represented several dollars in value, and was doubtless not left by design, unless they contemplated another trip. The sheriff brought in two wanderers from North Plains, thinking they might have had something to do with the cache, but turned them loose after a close examination. The two had a lot of soap with them—something extraordinary in men of their class—and as this is used in safe cracking it was thought well to give them a little more than "the once over."

I have a full line of garden seeds from Michigan, Minnesota, California and Northwest. Pick out your seeds early and get your choice. Anyone wishing seeds from Portland house not carried by me can get same by ordering through me, and I will bring them out at catalogue price, saving cost of transportation. Make out your orders and send them to me.—E. T. Turner, Laurel.

Bruce Evans is holding big crowds at his revival meetings at the M. E. Church, and interest is growing from day to day. He has addressed the High School two times, and has won a popularity as a pulpiteer since his visit here. Mrs. Evans assists at the piano in the musical service, and Prof. Thompson has popularized himself by his singing. Mr. Evans is an expounder of rare ability. Next Sunday he will preach at the Liberty Theatre, and his subject will be "The Most Expensive Hair Cut in History." There will be a male chorus in attendance. Tuesday night the hearers of Evans attended a wiener roast at the city park, and bonfires were lighted, and a fine time enjoyed.—Contributed.

Dr. F. A. Bailey is trying to induce the court house authorities to take measurements of the "Gigantica Sequoia," the trees in the court house yard, for scientific references. Years ago when these trees were first transplanted it was freely predicted that they would not thrive in this climate. On the contrary they have a more wonderful growth here than they have in California, where they are indigenous to the soil.

# FOREST GROVE EDITOR OUT FOR LEGISLATURE

A. E. Scott, of News-Times, Casts  
Glove Into the Political Ring

PROMISES A STRICT ECONOMY

Born on Farm and Has Been in Newspaper Game for Many Years

A. E. Scott, who has announced his candidacy for the Republican nomination for Representative from this district, has lived in Washington County for six years. During that time he has been editor and publisher of the Washington County News-Times, closely in touch with the affairs of the county.

He is a resident of Forest Grove, coming to Oregon from Astoria, Illinois, where he established and conducted the Astoria Search Light for 16 years prior to his coming to this state. At Lewiston, Ill., for 3 years, he edited and published the Lewisville Republican. He was born and reared on a farm in Wayne County, down in Southern Illinois, familiarly called "Egypt." At the age of eighteen years he entered the Wayne Co. Record office in the capacity of "Printer's Devil" there spending several years at the printer's trade, later taking a position in the Fairfield postoffice as Assistant Postmaster, going from there to the newspaper work at Lewiston, Ill.

By the dint of hard work and steady application to his tasks he has successfully managed his affairs and is a heavy tax payer in the town and county in which he lives. He has always been a hard worker, devoting his time and energies to the upbuilding of his newspaper and the community in which he lived.

He is married and is a member of the Congregational church, Modern Woodmen and Masonic fraternities.

If nominated and elected he advocates the "People's Business in a Business Way. Strict Economy and Fairness to All."

### HIGH SCHOOL NOTES

Hillsboro broke even with Forest Grove, at P. U. Gym, last Saturday night. The boys' basketball team was defeated by Forest Grove, 27-24. This game was exciting from start to finish. Joe Mann starred for Hillsboro. The girls' team defeated Forest Grove, 21-7. Velma Tipton was the high point winner for Hillsboro. These same teams play next Saturday night, at the local gymnasium. Everybody come out and help your home team beat Forest Grove.

Bruce Evans gave a very interesting talk at the High School last Tuesday afternoon. Mrs. Evans and Mr. Thompson gave several musical numbers. The first basketball team defeated the Vita Club last evening by a score of 27-20.

### UNION STOCK YARDS

A small run of 660 head of cattle found the market a shade easier. Prime steers brought 7.50 with cows going at 6.50 to 6.75. A few good bulls went at 5, with heifers and calves remaining steady.

There was a good run of 4675 head of swine. Market was sluggish at first, but soon picked up and tops remained at their former prices. Two loads of well finished hogs sold at 8.15 with bulk at 8.

Only a handful of sheep arrived. One load of excellent lambs brought 9.05. Ewes are quoted at 7, and yearlings at 8. Market strong.

### Card of Thanks

We desire to tender our sincere and heartfelt thanks to all who so kindly assisted us in aid and sympathy during our bereavement, the illness, death and obsequies of the late husband and father, Geo. S. Campbell, and we return special thanks to the Odd Fellows for their kindly assistance at the obsequies.

Glencoe Lodge K. P., at North Plains, celebrated the 52nd anniversary of the founding of the order at their hall, last Saturday night. W. G. Hare was the principal speaker. There was a nice program, and refreshments at the close. Gaston Lodge, the "baby lodge of the county," held their celebration Tuesday night, and Mr. Hare was again the speaker of the evening. There was a nice musical program, and light refreshments were served at 11 o'clock. It was an open house affair, and the wives and families of the knights were in attendance. E. L. Moore, the chancellor commander of the Hillsboro lodge, delivered a short address. Mr. Hare's presentation on fraternalism was one of the best ever heard in this section, and his intimation that brotherhood would in time accomplish what all other agencies were failing to fulfill—the era of peace on earth, good will to men, was enthusiastically received.

For Sale—Bay horse, weight about 1550; well built, and a good animal. Will sell reasonable.—F. J. Schmitt, Hillsboro, Route 1, or telephone Helvetia Mercantile Co., North Plains central. 48-50

County Clerk Luce has discovered that he can legally levy a tax, and as a consequence he has a power hitherto unknown to the official. When a corner is established between land owners the surveyor apportions the cost of survey, and if they are not paid, the clerk is directed by law to levy the amount against the real property, and the sheriff must collect the same as any other tax on the roll. The matter of law was brought to Clerk Luce's attention through the Yamhill surveyor, who sent in a claim against a Washington County resident for such a service.

The Progressive "500" Club was entertained Saturday evening, Feb. 12, by Mr. and Mrs. O. S. Combs. Mrs. Robt. Seater and Harvey Jack receiving first honors at cards. After cards, games, typical of St. Valentine day, were enjoyed. Instrumental and vocal selections were featured after luncheon. Victor Dahl and wife will receive the Club at their home Feb. 26.

G. Schiaeffi, of above Mountaineer, came in Tuesday, bringing in the family of Carl Muller, his son-in-law. Mr. Muller has material on the ground and is starting the construction of a greenhouse at 12th and Oak. Mr. Muller is an experienced greenhouse man, and foreman for Clark Bros. of Portland, for an extended period.

Hot cakes for breakfast made with Schulmerich's buttermilk and spread with Schulmerich's famous creamery butter is the latest fad. For sale at Hillsboro Mercantile Co.

Attorney W. G. Hare, who was in the legislature last session states that he will not be a candidate this year. He declines to run because of the sacrifice to business for one thing, it taking so much time at a busy season for attorneys. That he could be nominated and elected by a great majority goes without saying.
