So far there appears to be no serious consequences to the health of the little four year old son of Mr. and Mrs. C. R. Swanson, who wandered away from his home near Beaverton, one night last week, and remained in the woods over night. The little lad was found the next day, about 3 o'clock, and he was crying, as well as about as hungry as a laddie could be. It was at first feared that the young chap might develop pneumonia, but the Beaverton physician took him in charge and he is all right now.

## We Want Everybody to Know

That we will, beginning at once, give Cash Register receipts with every cash sale, showing amount of sale, date and who made the sale. We will ask you to keep these receipts as we are going to give back to our cash customers one day's cash sales each month. We will select one day each month and will announce in our window on the 5th day of each month the date we have selected, and then all you will have to do is look over your Cash Register receipts from us and see if you have any bearing that date, if you have just bring them to us and we will refund your money. There is no trick to this proposition.
