## FOR ASSESSOR

I am a republican candidate for the nomination of Assessor for Washington County. There are four other candidates for the same office on the same ticket. All have promised, in an indefinite way, to practice economy. The expense of that office last year was approximately \$7500. If I am nominated and elected, I hereby make definite promise, barring unforeseen and unusual extra work that may be imposed on the office, to reduce the expense of the office not less than \$1000 or resign. This is not egotism. I am simply placing a mark to be aimed at. I must hit that mark or get out.

I further promise in all cases to assess the property; not the man.

Chas. E. Lytle.

## FOR SHERIFF

To the Voters of the Republican party of Washington County: In the coming primary election, May 19, 1916, I will be a candidate for Sheriff, and will endeavor to conduct a clean campaign, with respect for my opponents and all others. My standing and ability are before you to investigate, and I would kindly ask every lady and gentleman in the county, who know me, to speak of me to their friends. I am a farmer, and feel it no discredit to milk a cow or plow a furrow. I am a native son, having been a taxpayer of the county for 26 years.

If I am nominated and elected I will devote my entire time and attention to the duties of the office, conducting same with strict regard to economy. I will pay all my traveling expenses and livery hire, within the county during my term. I shall appoint as my assistants competent persons, to whom I owe no political debts, who are controlled by none, and influenced only by a desire to give the greatest degree of efficiency at the smallest possible cost, with courtesy to all.

I am for a strict enforcement of the law, but I am opposed to harassing any individual lacking influence or means of defense possessed by others and I will not desire to arrest persons without due cause, or for the sake of merely making a record, giving protection of the office to all classes alike. On the other hand, necessity arising, no favoritism need be expected.

My slogan will be "Taxpayers' Candidate. I will pay my way." I would respectfully ask your support and consideration to the above.

GRANT MANN,
